

## **School Teachers' Orientation Camp Organized at AMU Murshidabad Centre**

Department of Education, AMU Murshidabad Centre organized an Orientation Camp for the Teachers of Unaided Private Schools on March 26, 2017. Around 200 teachers from various schools of Murshidabad District participated in the Orientation Camp.

In the Orientation Camp seven resource persons delivered lectures including four Assistant Professors of AMU Murshidabad Centre, namely, Mr. Rasheed Ahmad, Mr. Tasneem Ahmad, Mr. Asraful Islam Ansari and Mrs. Pakeeza Khan from Dept. of Education.

In the inaugural session, the chairperson of the orientation camp, Dr. Badaruddoza, Director, AMU Murshidabad Centre welcomed all the teachers, delegates and resource persons. In his introductory speech, he pointed out that providing quality education to students is the need of hour as they are the future nation builders. He said that for fulfilling this need, we have to make quality teachers. Efficient and learned teachers can ensure all-round development of students.

Dr. Badaruddoza called the teaching community as an 'elite community'. He lamented that though many teachers do not get minimum salary in the private schools but they work honestly for betterment of the students.

In keynote speech, Mr. Zulfikar, Head Master of Kasimnagar High School highlighted the present status and future of the private schools in which way these schools are running and providing quality education.

Mr. Nirmal Kumar, State Secretary of Unaided Private School Teachers' Organization described the objectives and outcomes of the Orientation Camp and explained the main aims of organizing such kind of programs.

Mr. Rasheed Ahmad discussed the importance of mathematics in teaching. Mr. Tasneem Ahmad explained child psychology and its implications in primary schools. Mr. Asraful Islam Ansari gave a lecture on language learning, especially Bangla language. He explained the aims and objectives of teaching Bangla language in primary schools in West Bengal. Mrs. Pakeeza Khan dwelled upon environmental science and its implications in teachers' lives as well as students' practical day-to-day lives.

Mr. Akmal Hossain from Rabindranath Primary School delivered a lecture on 'Continuous and Comprehensive Evaluation' and revealed the features of CCE. Mr. Sujit Sarkar, A.I./S (P.E) Murshidabad District discussed Right to Education Act (RTE) and its rules and regulations. Dr. Gouranga Paramanik, M.O. Gangarampur S.D. Hospital took a class on Health and Hygiene.

The program was conducted by Mr. Gulzar, District Secretary, National Council for Unaided Private School Organization, who also presented the vote of thanks.
