

The CASR meetings of Faculty of Arts and Social Sciences were held in the Committee Room of the Administrative Block under the Chairmanship of the Vice Chancellor Prof. P. K. Abdul Azis. The CASR has approved the admission of a total of 149 students to PhD programme and three to M.Phil. programme in the two faculties of the University during the current session.

In case of Department of Economics, Education, Political Science, Islamic Studies, Sociology and Library Science it was noticed that the Boards of Studies did not follow the rule for reserving 1/3 admissions for next academic session while approving the the rank list. Hence CASR referred back the matter to the Boards of Studies of the concerned departments for review. The CASR has authorized the Vice Chancellor to issue necessary orders after receiving their recommendations after the Board of Studies review.

The number of admissions approved by the CASR in different departments of Arts and Social Sciences faculties during the current session were as follows:

Admission to PhD. and M. Phil.

Faculty of Science & Life Sciences 2009-2010
