

The CASR meetings of Faculty of Science and Life Sciences were held in the Committee Room of the Administrative Block under the Chairmanship of the Vice Chancellor Prof, . P. K. Abdul Azis. The CASR has approved the admission of 149 students to PhD programme and 47 to M.Phil. programme in the current academic year in the two faculties of the University.

In case of Department of Botany it was noticed that the Boards of Studies did not follow the rank list. Hence CASR referred back the matter to the Boards of Studies for review. The Vice Chancellor was authorized to issue necessary orders after receiving its recommendations after the review.

The complaints made by two students of the Department of Zoology was examined and rejected as there was no violation of merit in the decisions and recommendations of the Board of Studies. The Board of Studies is free to allocate the number of students it intends to fill up leaving about 1/3 seats for the brilliant students to be admitted in the next academic session, it observed.

The number of admissions approved by the CASR in different departments during the current session were as follows:
