

OBJECTIVES

Information Technology and Multimedia Systems have emerged as major engines for economic, social and scientific & technological growth. They have elevated the country's international competitiveness to a comparable scale. Multimedia tools and services are under continuous development. However, there is a great need to ensure survivability and security of services.

The workshop's main objectives are:

- Discussion of emerging technologies in digital multimedia authentication, encryption, identification, fingerprinting, steganography and steganalysis, secure multimedia networking and biometric user authentication.
- Identification of critical high impact research problems addressing specific deficiencies in the field of secure multimedia distribution and consumption.
- Formulation of target applications of identified technologies in both the commercial, civilian, and military sectors.
- Exposition of legal, business and technology policy issues relevant to multimedia security.

To address these and other related issues, University Women's Polytechnic, AMU Aligarh, is organizing **2nd Workshop on Multimedia Applications (MMA2012) on 4th 5th February 2012.**

SCOPE

Topics of interest include, but are not limited, to the following areas:

- Multimedia Processing
- Multimedia Transmission
- Multimedia Watermarking and Steganography
- Multimedia Network Protection, Privacy, and Security
- Multimedia Authentication and Encryption
- Digital Media Forensics
- Biometrics and Smart Cards
- Emerging Applications of Multimedia
- Medical and Health Care Services
- Legal and policy issues and their interaction with technological development

ABOUT ALIGARH AND AMU

Aligarh is an important commercial as well as educational center of India. Situated in western Uttar Pradesh, it is at a distance of 130 km southeast of Delhi on the Delhi -Howrah rail route and the Grand Trunk Road. The longitude & latitude of Aligarh city are 79° 40' E & 27° 30' N respectively. The Aligarh Muslim University, a premier Central University with several Faculties and maintained institutions, was established in 1920 by an act of Parliament. It draws students from all corners of the country as well as from foreign countries, especially Africa, West Asia and Southeast Asia. In some courses, seats are reserved for students from SAARC and Commonwealth countries.

Chief Patron

Vice Chancellor

Aligarh Muslim University, Aligarh

Patron

Dean

Faculty of Engineering & Technology, AMU, Aligarh

Convener

Mrs. Iffat Ara Bano

Principal, University Women's Polytechnic, AMU, Aligarh

Co-Conveners

Dr. Nigar Minhaj

University Women's Polytechnic, AMU, Aligarh

Prof. Ekram Khan

Department of Electronics Engg., AMU, Aligarh

Organizing Secretary

Mr. Shahnawaz Uddin

University Women's Polytechnic, AMU, Aligarh

PARTICIPANTS

The Workshop is aimed for faculty/students/professionals of Academic & Technical Institutions, Government Organizations, Research Labs, & NGOs.

REGISTRATION FEE

Private Sector/ Public Sector Industries	Rs. 1200/-
