

## CURRICULUM VITAE

1. **Name:** Dr. Atia Zaka-ur-Rab

2. **Father's Name:** Dr. M. Zaka-ur-Rab

3. **Nationality:** Indian

4. **Professional Experience:**

S.N.	Position held	Institution	From	To	Duration
1	<b>Professor</b>	Dept. of Surgery, J.N. Med. College A.M.U, Aligarh.	09.3.2012	Till date	6 Yrs 2 mths
3	<b>Associate Professor</b>	-do-	09.3.2009	08.3.2012	3Yrs
4	<b>Lecturer Senior Scale</b>	-do-	09.3.2004	08.3.2009	5 Yrs
5	<b>Lecturer</b>	-do-	03.01.2000	08.3.2004	4 Yrs 2mths
6	<b>Sr. Resident</b>	-do-	18.02.1999	02.01.2000	10.5mths
7	<b>Resident</b>	-do-	28.01.1995	27.01.1998	3 Yrs

5. **Total Teaching Experience after MS:** 19 years 2 mths

6. **Membership of Professional Bodies:**

- a) Life Member Indian Association of surgery
- b) Life Member Indian Association of Surgical Oncology
- c) Member National Academy of Medical Sciences (India)
- d) Life member society of laparoscopic Surgeons of India

7. **Thrust Areas:** Diseases of breast, thyroid, minimal access surgery

8. **Educational Qualifications:**

SN	Examination Passed	University/ Board	Year	Division	Distinction
1	Sec. Sch. Exam	CBSE	1986	I	Science, Social Science
2	Sec. Sch. Exam Part-I	AMU	1987	I	-
3	Sec. Sch. Exam Part-II	AMU	1988	I	-
4	M.B.B.S.	AMU	1993	I	-
8	M.S.(Surgery)	AMU	1998	-	-
9	D.N.B.( Surgery)	National Board of Examinations New Delhi	1999	-	-

**P.S. : All qualifying examinations were passed in first attempt**

**9. Title of M.S. Thesis:** ‘Evaluation of USG and FNAC in the Diagnosis of Breast Lumps.’ under supervision of Prof. Y.V.S. Gehlot

**10. Awards:**

- a) **Second best oral (Scientific paper) presentation** for paper entitled “*Clinicopathological profile of neoplasms in children – A five years experience*” in **National Conference of Association of Surgical Oncology- (NATCON) - IASO- 2003**, at CSM Medical University (KGMC), Lucknow, Sept.19-21, 2003.
- b) **Third best oral (Scientific paper) presentation** for paper entitled “*Preoperative pentoxifylline attenuates inflammatory response after laparoscopic cholecystectomy: Results from a randomized controlled trial*” in Endosurg 2015, AIIMS, New Delhi, March 13-15, 2015.

**11. Number of Papers Published: 38**

**12. Number of Papers Read at Conferences: 45**

**13. Conferences and Workshops Attended: 67**

**14. Number of MS Thesis Supervised: 12**

a) As supervisor: 7

b) As co-Supervisor:5

**15. Number of MCh Thesis Supervised: 1 as co- supervisor**

**16. Number of MS Thesis under Supervision: 3**

- a) As supervisor: 2
- b) As co-supervisor: 1

#### **14. List of M.S. Students Supervised:**

- a. Dr. Arun Deepak (2015). To study the correlation between sonographic features , clinicopathological profile and hormone receptor status in patient with carcinoma breast. (as supervisor)
- b. Dr. Parameshwar VG (2015). A comparative analysis of APACHE II, SAPS II and MEDS Scoring Systems for prognosticating patients with liver abscess. (as co-supervisor)
- c. Dr. Lalit Mohan Sharma (2015). Prognostic significance of Ki67 , p53 AND agNOR scoring in breast carcinoma cases with positive axillary lymph nodes. (as co-supervisor)
- d. Dr.Saurabh Varshney (2014). A study on the effect of preoperative dexamethasone on changes in cytokine response, leukocyte counts and CRP in patients undergoing thyroidectomy.
- e. Dr. Meraj Ahmad (2014).A comparative analysis of various scoring systems for prognosticating patients with perforated peptic ulcer. (as co-supervisor)
- f. Dr. Mohd Rafey (2014). Diagnostic and prognostic significance of Ki-67 antigen expression, mitotic figure index and CA 15-3 in locally advanced breast cancer. (as co-supervisor)
- g. Dr. Yashveer Singh (2013) Evaluation of clinical, biochemical and haematological parameters in prognostication of necrotising soft tissue infections.
- h. Dr. Imtiyaz Ahmed (2013). The role of receptor study (ER, PR, HER2neu) in carcinoma breast. (as co-supervisor)
- i. Dr. Mukta Verma (2011) A study on the effect of preoperative dexamethasone versus pentoxifylline on changes in cytokine response in patients undergoing laparoscopic cholecystectomy.
- j. Dr. Mohammad Saquib (2010): A comparative study of conventional ultrasonography with contrast enhanced ultrasonography in the diagnosis of gallbladder diseases.
- k. Dr S. Ehtesham H Naqvi (2009): Study of changes in pro--inflammatory and anti- inflammatory cytokines, and leukocyte counts in patients undergoing laparoscopic and open cholecystectomy.
- l. Dr. Zulqarnain Masoodi (2007): Association of CCK-1 gene polymorphism in diseases of gallbladder.

**17. M.Ch. Student Supervised:**

- a) Dr. Zulqarnain Masoodi (2011): Role of latissimus dorsi (ld) myocutaneous flap in breast reconstruction. (MCh Plastic Surgey) (as co-supervisor)

**18. List of M.S./M.D. Students under Supervision:**

- a) Dr. Ilmul Huda (2017) (as supervisor)
- b) Dr. Urooj (2017) (as supervisor)
- c) Dr. Hussain Amir (2016) (as supervisor)

**19. Additional Academic/Extra-curricular Activities:**

- a) Organizing Secretary Surgery Update-2018, J.N. Med. College, AMU, April 14-15, 2018.
- b) Resource person for 4th SCOPE (Surgery Clinical Oriented Postgraduate Examination) course - 2018 held from Feb. 8- 11, 2018, New Delhi.
- c) Delivered Guest Lectures on "Sonomammography a surgeon's armamentarium " and "Current Concepts and Controversies in the Management of Locally Advanced Breast Cancer (LABC)" in 14<sup>th</sup> International Surgical Congress & SAARC Surgical Care Society Meeting of Surgeons of Bangladesh, Dec. 8-10, 2017, Dhaka, Bangladesh.
- d) Delivered Guest Lecture on "Critical appraisal of a research article" in UPASICON 2017, Nov. 17-19, 2017, BHU, Varanasi.
- e) Delivered Guest Lecture on "Role of journal club in post-graduate medical education" in ASICON Jaipur 2017, Dec. 26-30, 2017, Jaipur, Rajasthan.
- f) Panelist and Preceptor at ASOMA con 2017 at AIIMS, New Delhi Oct. 7 - 9, 2017
- g) Running Breast Clinic on Wednesdays.
- h) Organizing Secretary Workshop on Research Methodology, J.N. Med. College, AMU, March 4-5, 2017.
- i) Organizing Secretary Workshop on Research Methodology, J.N. Med. College, AMU, April 17- 18, 2015.
- j) Joint Editor Souvenir North Zone Intervarsity Cricket Tournament (Men), Nov 19-Dec. 7, 2015.

- k) Member Poster Committee II Mid-term CME of U.P. April 16, 2016.
- l) Member Library Committee J.N. Medical College, AMU
- m) Member Clinical Epidemiology Unit, J.N. Medical College, AMU
- n) Coordinator PG presentations, Dept. of Surgery.
- o) Chaired sessions in various Conferences of Surgery.
- p) Faculty lecture on “How to present a journal club’ in Orientation Programme organized by UGC Academic Staff College 2015.
- q) Joint Organizing Secretary UPASICON 2014.
- r) Chairman Souvenir Committee UPASICON 2014.
- s) Delivered lecture on “How to read and write a paper” in PG Orientation Programme 2014.
- t) Serve as acting Principal Nursing School whenever directed.
- u) Involved in teaching surgical topics for BDS Course, J.N.M.C., AMU.
- v) Formerly involved in teaching for Diploma Surgical Endoscopic Technique Course.
- w) Formerly involved in teaching for Diploma OT Management.
- x) Formerly Teacher in Charge laboratories of Dept. of Surgery 2009-2012.
- y) Joint Editorial Secretary, Surgery -2011 (Journal of UP Chapter ASI).
- z) Formerly Editorial Assistant Journal of Neurosciences: an official journal of U.P. Neuroscience Society.
- aa) Formerly joint editorial secretary Surgery: an official journal of U.P. Chapter of association of surgeons of India.

**20. UGC Sponsored Refresher and Reorientation Courses:**

- a) UGC Sponsored Refresher Course in Surgery. UGC Academic Staff College, AMU, Aligarh, Oct. 15 – Nov. 6, 2001.
- b) UGC Sponsored Orientation Course .UG.C. Academic Staff College, AMU, Aligarh, Nov. 07 –Dec 07. 2001,
- c) UGC sponsored Subject Refresher Course. U.G.C. Academic Staff College, AMU, Aligarh, Nov. 1-21, 2006 (Grade obtained-A).

- d) Self-Financed Orientation Programme. U.G.C. Academic Staff College, AMU, Aligarh, Jan. 14-Feb-13, 2008 (Grade obtained-A).
- e) Subject Refresher Course, U.G.C. Academic Staff College, AMU, Aligarh, April 1-20, 2013.
