Response of Faculty regarding objections to answer key of Ph. D. Admission Test 2017-18

The Ph. D. Admission Entrance Test (2017-18) was held on 06.10.2017. Representation regarding the answers of Question Nos. 30 and 36 were made by five candidates. Four, out of five candidates did not provide any source/reference of their claim.

Only one candidate challenged the answer of Q. No. 30 of Section A (PLMQ-A6) providing supportive source. The Committee considered and deliberated the issue and was of the unanimous view that the answer given in the key is correct.
