MBA final year students Industrial Visit to WBPDCL, Sagardighi

With the kind permission of Dr. Badaruddoza (Director, AMUCM) and the wholehearted support extended by Dr. Rashid Usman Ansari (Course Coordinator, DBA), the students of MBA final year made a successful industrial visit to WBPDCL on 23rd November, 2015 as a part of their curriculum.

West Bengal Power Development Corporation Limited (WBPDCL) is a company owned by the government of West Bengal with the goal to carry on the business of electric power generation and supply in the state of West Bengal, India. The main thermal power plants under WBPDCL are in Kolaghat, Bakreswar, Sagardighi, Santalduh and Bandel. The Sagardighi thermal power project having capacity of 600 MW has been undertaken by WBPDCL as per re-organization measures of power sector in West Bengal.

During the industrial visit, the student had an interaction with Mr. Shushant Sarkar (Deputy General Manager, Operations and Maintenance) who briefed the students regarding the functioning of the thermal power plant. Mr. Sarkar highlighted on the capacity of power generation and also talked about the two new units being constructed leading to the enhancement in the power generation capacity by 500 MW each. The students also had a discussion with Mr. Sarkar regarding the waste management practices adopted by PDCL. The students were also shown the animated movie regarding the functioning and power generation made at Sagardighi, PDCL.

The students also visited various sites of the plants along with the supervisors assigned to them so as to have the practical knowledge regarding the functioning of the plant and power generation. The students thoroughly enjoyed the visit and hoped for such more visits in near future. The visit concluded with the lunch at PDCL canteen.

The Industrial visit was organized by Mr. Mofikul Islam and Dr. Asad ullah (Assistant Professor, DBA).
