Road Safety and Usage of National Highways Awareness Program Organized at AMU Murshidabad Centre

Aligarh Muslim University Murshidabad Centre organized a program on the theme of Road Safety and Usage of National Highways on February 21, 2018. Mr. Sanjay Sundar Ghatak, Project Manager from National Highway Authority of India (NHAI) delivered the lecture in the program. He emphasized on the measures to be taken while driving a two-wheeler or a four wheeler on national highways. Emphasizing on the aspects of road safety including the usage of helmets, seat belts, indicator lights, and maintaining safe distance, Mr. Ghatak said that it is very necessary for all of us to be not only aware about these aspects but also to inculcate a habit of practicing them regularly. He also urged the audience that they should educate others about the road safety measures. Administering pledge to follow road safety guidelines to all audience, he also showed some videos of real road accidents to spread awareness.

Earlier, Dr. Nigamananda Biswas, Director In-charge, AMU Murshidabad Centre, welcomed the speaker and presented his introduction. Dr. Biswas also requested Mr. Ghatak to build a bus stop and name it as Aligarh Muslim University Murshidabad Centre Bus Stop on NH-34, to provide a link on the highway for easy access and to put proper signage indicating location of AMU Murshidabad Centre. Mr. Ghatak assured that proper action would be taken in these matters at appropriate levels. The program was attended by faculty members, non-teaching staff and a large number of students. The program concluded with a vote of thanks by Mr. Shamsul Rahman, Assistant Professor, Department of Law.
