Pledge

I believe that Gender Discrimination has been a major obstacle in the overall progress of the country. I believe that all stakeholders in educational institution need to work together to eradicate gender discrimination.

I therefore pledge to:

1. To make every effort to establish a safe environment for women.

2. To strive to prevent discrimination and exploitation of women.

3. To lead by example exhibiting gender equality in personal behaviour.

4. To report any incident of gender discrimination to the appropriate agency.
