ENTREPRENEURSHIP DEVELOPMENT PROGRAM hosted at AMU-Murshidabad Campus

Aligarh Muslim University, Murshidabad Campus has successfully hosted the classroom component of a **15 day certificate program** (*1 Day classroom and 14 day e learning*) on 29th April 2018. The **Entrepreneurial Incubation Cell (EIC) of AMU-CM** took the initiative to organize an event titled “**Certificate Program for students on Empowerment of Entrepreneurship & Skill**” for the first time in collaboration with NEDC. The students will get a course completion certificate from NIESBUD and can seek hand holding support from them in future if they need so. The chief mentor for the program was Mr A Din. Pangotra from NEDC. He is a celebrated resource person, with a lot of experience in conducting Entrepreneurship Development Programs.

The program was flagged off by Chief Guest for the program, the Director in Charge (acting) Dr Talib Siddiqui and the Faculty Members of all the departments graced the occasion. The program was hugely successful due to the fact that AMU-CM accommodated maximum participation from outside the campus that benefited from the course. There were more than 65 participants from age range between 20 years to 57 years.

In the program, issues like hands on registration of a company by candidates, market scope analysis, detailed discussion on DPR and financial planning were handled. Detailed discussion of various Govt. schemes to help budding entrepreneurs was done by Mr Pangotra. The lively interactive capabilities of the speaker kept an electric environment for the program throughout the day, and he ended the session with a lively story supporting his “Dead horse strategy” for entrepreneurship.

At the end of the session participants, Retired Major Badruddoza and Mr Subrata Ghosh (Management Faculty at Berhampore), volunteered to give their viewpoints and feedback. They stressed about the rich information that they could take back and offered other candidates help and resources from their own business experience and knowledge expertise.
Mr Aminul Haque, the EIC Coordinator presented the vote of thanks congratulating the student participants and the volunteers, whose tireless effort and team work made their program successful. Syed Mamun, Hassan Mandal, Minarul, Saddam Hussain, Fuzail, Adnan, Ameer Sanaullah and other students took up the student leadership role to mark good event management. He specially thanked Prof. Parvaiz Talib, Dean & Chairman, Department of Business Administration, AMU for his extended support that made it possible for such a program to be organized at the distant AMU Centre and praised the cooperation of the Director in Charge Dr Nigamanand Biswas. The coordinator also thanked Mr Pangotra, Administrative staff and the teaching faculties of AMU CM for their enthusiasm and cooperation that made the event special.

Mr Aminul Haque also extended thanks to all the people for silent support and effort towards AMU-CM Entrepreneurial Incubation Cell, to make it possible to have a better student experience at the campus as part of curriculum enrichment efforts at the campus.
