Idea of Cleanliness
“A little boy,
A little girl,
A little someone
A little he,
A little she,

A little something
A lot of dust,
A lot of dirt,
A lot of sewage
And open gutter
Kids half naked
In the gutter,
The boy is coughing,
The girl is deforming,
Her feet have outgrown her tiny frame,
What happened?
Ask the gutter,
The dirt and the dust,
Or Wait for the dawn,
Coming covered in smog,
Can’t see it breaking,
May be passed me by,
Let’s clean it all up,
And see the light,
But where to start from?
The lanes?
The drains?
The mind or the soul?”
