Induction Program of MBA Ist Year Students held at AMU Murshidabad Centre

The Department of Business Administration, AMU Murshidabad Centre organized Induction Program for the MBA 1st Semester students from 13th to 15th September, 2018. The program was inaugurated by Dr. Abhijit Mukherjee, Member of Parliament, Jangipur and Member AMU Court on September 13, 2018. Dr. Mukherjee while addressing the students said that the brand AMU carries a unique position across the country and those who get associated with it shall consider themselves to be blessed. He motivated the students to work hard in their studies as well as take care of the campus cleanliness, sanitation and environment. He also focussed on the important traits which the students should acquire in order to perform well in the corporate sector. Earlier Dr. Mukherjee was welcomed by Dr. Amir Jafar, Director In-charge and Dr. Nigamananda Biswas, Associate Professor, Department of Business Administration presented his introduction.

On September 15, the induction program was held in three sessions. Each session was aimed at getting the students acquainted with different functions of the department as well as the Centre. In the first session, Dr. Amir Jafar interacted with the students and emphasized on the need for all-round development of management students. He also talked about maintaining discipline at the campus and apprised the students about the facilities available for them at the Centre.

Further, the faculty members having different administrative responsibilities including the Provost, Deputy Proctor, Assistant Dean Students’ Welfare, Warden (Boys’ Hostel) and Warden (Girls’ Hostel) interacted with the students focussing on how they can help the students under their respective capacities.

The second session of the program involved interaction of the faculty members of department of Business Administration with the students. The Course Coordinator of the department, Dr. Rashid Usman Ansari, provided information regarding the course structure and curriculum. Dr. Nigamananda Biswas talked about the role of IQAC in improving teaching and learning. He focussed on the issues related to student feedback and its importance for the students.

Mr. Mofikul Islam discussed the anti-ragging provisions for the fresh batch students at the Centre. Dr. Aminul Haque apprised the students about the different activities of Training and Placement Office. Dr. Syed Atif Jilani talked about the aspects of examination and evaluation. The program was conducted by Dr. Md Sarwar Alam.

In the third session, the keynote speaker of the program, Dr. Yogita Abichandani, Associate Professor, MDI Murshidabad gave a talk on ‘Human Resource Practices for Management Students’. She also conducted a psychometric test exercise with the students to develop an understanding among the students about their own personality type and to identify the areas they should work upon.

The program ended at a good note with active participation from all the faculty members and the students. Towards the conclusion of the program, Dr. Aminul Haque moved the Vote of Thanks.
