On the occasion of **Children’s Day**, Abdullah School organised various events. **Mrs. Umra Zaheer** (Superintendent) addressed the children and made them aware of the importance of this day. She also highlighted about the disease **MR (Measles Rubella)** for the eradication of which government is conducting a programme in collaboration with WHO. This day was chosen so that the children will know about this dangerous disease. Children performed a Skit regarding the MR disease in the school campus composed and directed by Ms. Tasneem Fatima.

The children participated in various races such as simple race, three legged race, spoon race, etc. Superintendent Mrs. Umra Zaheer, Staff Members (Teaching & Non-Teaching) gave their best to make the day memorable for the children.
