AMU Murshidabad Centre Organizes One Day Student Interaction Program Industry Experts

Aligarh Muslim University Murshidabad Centre successfully organized a “One Day Student Interaction Program with Industry Experts” on November 07, 2018. The resource persons were Mr. Parvaiz Ahmed (AMU Alumnus and Entrepreneur) and Mr. Abdul Rahim (Vice President, JCI). Dr. Amir Jafar, Director In-Charge, AMU Murshidabad Centre welcomed the resource persons and felicitated them. Dr. Aminul Haque, Program Coordinator briefly explained the theme of the program.

The program was also attended by Mr. Osama Ahmed, a student of Symbiosis Pune who had accompanied the visitors. Mr. Osama held discussions with students of the Centre regarding the scope of collaborative learning and sharing of ideas.

In the pre lunch session, Mr. Abdul Rahim interacted with the students of MBA, discussing various practical aspects of business, the industry expectation from fresh graduates entering the market and evolving role of entrepreneurs as job creators. He dedicated a brief part of the session on fact finding about prerequisites for a successful entrepreneur. The session proceeded to a team building exercise and five teams of ten students each participated in the management game of product branding. The session had a high level of engagement among students who demonstrated through their active participation enthusiasm for innovative thinking and problem solving capacity. At the end of the game, the names of the winning teams were announced by the judges.

Towards the conclusion of the program, Mr. Parvaiz Ahmed had an interactive session with the students. Mr. Ahmed shared the story of his professional life; a journey of hope and despair, a journey of hard work and passion, a journey of success and failure. He mentioned that, “It was an entrepreneur’s journey; and most of the Entrepreneurs do go through similar phases in their professional lives.”

Finally, Dr. Aminul Haque proposed the Vote of Thanks, appreciating the efforts of student volunteers and the program anchor Mr. Saddam Hussain for their meticulous engagement. He also extended the invitation to the esteemed resources persons to make regular visits to the Centre for the benefit of the students.

Faculty members of the Centre Dr Md Junaid, Mr Shamsul Rehman, Dr Masood Ahmad, and Dr Rasheed Ahmad were also present in the inaugural session.
