Welcome to Aligarh Muslim University

The Aligarh Muslim University originally evolved from the Mohammedan Anglo Oriental College (MAO) in 1920 which was founded by the great visionary and social reformer, Sir Syed Ahmad Khan. The establishment of M.A.O College was described by Lord Lytton as an epoch in the social progress of India. From its very inception, AMU has kept its doors open to the members of all communities and from all corners of the country and the world.

AMU Kishanganj Centre (Kishanganj, Bihar) – Off Campus

Hon’ble President of India, under his capacity as Visitor, AMU, in exercise of powers vested in him under Section 12 (2) of the AMU Act approved establishment of AMU Centre at Kishanganj. Kishanganj District is one of the thirty-eight districts of Bihar and Kishanganj town is the administrative headquarters of the district. Kishanganj district is surrounded by Araria district in the west, Purnia district in the south-west, Uttar Dinajpur district of West Bengal on the east and Darjeeling district of West Bengal and Nepal on north. A narrow strip of West Bengal about 20 km wide separated it from Bangladesh. Major rivers flowing through the district are Mahananda, Kankai, Mechi, Donk, Ratua and Ramzan Sudhani.

The city of Kishanganj has good connectivity by air, trains and buses. Bagdogra airport is the nearest airport which is just one and a half hour drive from Kishanganj. Kishanganj is well connected to other major cities of the country via regular trains like Rajdhani, North-East, Brahmaputra and Capital Express. Regular bus services are available to and from Kishanganj to other major cities of the country.
Centre finally took off with the start of B.Ed Course (One year Program) in the year 2013. Later in accordance with the NCTE Regulations, The Batches of B.Ed are being offered Two Years program and A New MBA Course (Two Years Program) in the Year 2014.

The Centre is presently running in the rent-free buildings provided by the Govt. of Bihar (viz., the Boys' Minority Hostel, and the Girls' Minority Hostel) at Halim Chowk, Purana Khagra, Kishanganj. These buildings are used as Academic Complex, Administrative Complex, Library, and hostels for the boys and girls.

**Accredited by NAAC in “A” Grade**

The AMU Kishanganj Centre, a fully residential one, is carrying forward the great legacy and inclusive and pluralist cultural ethos of the Aligarh Muslim University, which came out of a 'renaissance' of the 19th century. It stands for nation-building by making education accessible to the educationally, economically (and therefore socially too) backward communities, at their affordable cost.
