CIRCULAR

All University functionaries

It has been observed that few students are organizing protests in the form of various Dharnas to press their certain demands. These Dharnas are frequently being held in front of Bab-e-Syed Gate/ Main Gate, Administrative Block of the University. This creates hindrance in the passage of common person who are coming to the University for their official work and also creates hindrance to University officials in the form of discharging their official duties.

In view of the above, all concerned are informed that henceforth the Dharna site is being designated as the space available near University Polytechnic. In future, if any kind of Dharna is being organized at other than the space so designated then disciplinary action against those students will be taken as per University rules.
