</tr>
<tr>
<td>Membrer</td>
<td>Prof. R. S. Chana - Assigned Membrer</td>
</tr>
</tbody>
</table>

The agenda was discussed in detail & the following decision was taken unanimously:-

**Future Development Programme of Department of Neurosurgery**

**VISION**

Neurosurgery Department has grown over the last few years since its inception. Neurosurgical patients in our hospital receive the safest and best care in the nation.

*We foresee our growth with few basic points in our mind*

- Patients are the top most priority
- We would like to train and develop future neurosurgeons for the community
- We would like to develop innovative team based neurosurgery
- Our research improves the understanding and management of neurosurgical disorder
- Interdisciplinary association of different field of neurosciences so as to develop it as an institute of neurosciences.
MISSION

The Department of Neurosurgery aims to provide, high quality care to neurosurgical patients and to start the MCh course and to develop it as centre of excellence.

OBJECTIVES

First Priority:-

1. To finish the construction and to extend the departmental facility as envisioned before (annexure.)

   We would like to develop:
   - Departmental library & seminar room
   - To develop Skill lab (for neurovascular, biomechanical, etc...)within the department
   - Departmental pantry
   - Consultant room

2. To start endovascular surgery, Paediatric neurosurgery as a separate subspecialty within the department.

3. To develop the facility of Neuroendoscopy & Neuronavigation.

4. To increase the departmental work force as we have only one unit which is working seven days a week. We have demanded for the same previously (annexure)
   - A post of Associate Professor
   - Medical officer
   - Three senior resident
   - Record keeper
   - Sweeper & lab technician

5. Start MCh in neurosurgery as early as possible
Second Priority:-

1. Development of allied speciality like Neuroanaesthesia, Neuropsychology and Neurorehabilitation centre with the aim to develop it as institute of Neuroscience.

To achieve the above aim following requirement is needed

(A) Non recurring grant:-

1. Academic block (Annexure) Area Ground Floor: 336 Sqm
   First Floor: 1150 Sqm
   \[ \text{Approx Cost} \]

2. Modernization of OT -1
   \[ \text{4.11 crore} \]

3. New Neurosurgery OT -2 30ftx20ft
   \[ \text{1.5 crore} \]

4. Equipments:
   (a) Neuronavigation System
      \[ \text{5.0 crore} \]
   (b) DSA with complete neuroendovascular lab
      \[ \text{10.0 crore} \]
   (c) Neurophysiology Lab
      \[ \text{1.00 crore} \]

(B) Recurring grant

Staff Requirement
