10. The Chairman Dr. Kauser J. Khwaja put forth the suggestion that an Assistant Professor having four years teaching experience should be eligible for being appointed as an examiner for (BDS undergraduate) examinations. This is being done in other Dental Colleges such as Jamia Millia. In AMU, it takes 12 years for an Assistant Professor to become an Associate Professor under CAS. Hence the candidate loses out on opportunity, which is available to Candidates in Dental College of other universities. All the members of the board unanimously supported the suggestion.

11. Panel of experts in the subject of Oral Medicine and Radiology for Selection Committee of Assistant Professor, Associate Professor and Professor was discussed and prepared. The list will be sent to the Registrar, AMU, through proper channel in a Confidential and sealed envelope.
