REPORT ON SWACHHTA PAKHWADA

The Department of Physiology observed the **SWACHHTA PAKHWADA 2020** to generate awareness for cleanliness amongst all the staff as well as students. All the members of the Department including teaching staff, non-teaching staff and the resident doctors actively propagated the idea of Swachhata. The chairperson Prof. Sangeeta Singhal also told about the importance of general cleanliness/hygiene.

Resident and Non-teaching members were asked to participate in the Swachhata competition by making posters depicting the novel theme of Swachhta Awareness and essay competition. All residents and non teaching staff have shown enthusiastic participation. The best posters/essays have been awarded.

(Prof. Sangeeta Singhal)
Chairman
