Sub: Proposal to conduct “Entrepreneurship Awareness Camp” (EAC)

Dear Sir,

National Small Industries Corporation Ltd. (NSIC), A Government of India Enterprise an ISO 9001: 2008 certified company, since its inception in 1955, has been striving hard to fulfill its mission of promoting, aiding and fostering the growth of Micro, Small and Medium Enterprises / Business Enterprises in the country and nurturing the budding entrepreneur.

In present context, the burning issue in our country is un-employment. NSIC has realized the urge as serious problem and devised an innovative low cost scheme named as “Incubation of unemployed youths for setting up new small Enterprises”. The main aim & benefit of self-employment is the trained person will be able to create job/ work for his livelihood not only for himself, he will also create job opportunities to many others.

Keeping in mind, NSIC is passionate about creating self-employment opportunities for India’s youths and planning to support for other international communities too.

The NSIC is making necessary arrangement to guide and motivate the un-employment youths across the country for self-employment/ employment through career counseling.

AIMS AND OBJECTIVES:

1. To guide students for career options and help them to select career boosting courses.
2. To motivate unemployed youths for self-employment.
3. To create awareness of NSIC model of incubation for setting up new business enterprises.
5. To create awareness about industry structure before starting business.
6. To promote small, medium and micro enterprises.
7. To promote industrial clusters.
8. To enhance the entrepreneurial and managerial skills of the participants.

PROGRAMME SCHEDULE: Attached herewith

Batch size: 75 participants (each batch)

It is therefore requested that kindly arrange to conduct Entrepreneurship Awareness Camp (EAC) for students of Dip. Engg. of your institute on any suitable date (25.08.2016 to 29.08.2016) as per your convenient. The certificates will be provided to the participants. It is requested that please confirm the date to hold the Entrepreneurship Awareness Camp. All participants will be awarded certificates.

Thanking you,

Yours sincerely,

(Abdul Jabbar)

Sub: Proposal to conduct one day workshop “Advance Manufacturing Process on CAD/CAM”.

The National Small Industries Corporation Ltd. (NSIC), A Government of India Enterprise an ISO 9001: 2008 certified company, since its inception in 1955, has been striving hard to fulfill its mission of promoting, aiding and fostering the growth of Micro, Small and Medium Enterprises / Business Enterprises in the country and nurturing the budding entrepreneur.

NSIC- Technical Service Centre, Aligarh was setup in 1986 to provide services in various Technical areas thus helping the MSMEs by providing skilled manpower, common facility services, specially for Lock, Building Hardware, Art ware, Engineering and Automobile industries. The centre is well equipped with state of art design / drawing Laboratories, Workshops, Class rooms, Library, Conference Hall, Latest Software, internet facility etc.

To accelerate the development of new business with a view to increase employment generation and to encourage entrepreneurship development in the mechanical/ machine tool industry, Electronics equipments, Agro based industries and hi-tech areas like CNC, CAD/CAM i.e. computer aided designing and manufacturing. In last five years the centre has passed out more than 1000 trainees in CNC courses and 8000 in other conventional courses, almost all passed out trainees secured job in industries).

In present context, the burning issue in our country is un-employment. Keeping in mind, NSIC is passionate for skill up gradation of youths through organizing seminars/ workshops on latest and Hi-tech subjects to full fill the need of institutions /industries.

We have organized many workshops in various Polytechnics, Engineering and MBA colleges and at our centre. We propose to conduct the Workshop on the topic as below. The expenses to be borne by institute or students to “NSIC Ltd” payable at Aligarh through Cheque /DD or in cash. NSIC will be awarded certificate to the participants on successful completion of workshop.
