DEPARTMENT OF BUSINESS ADMINISTRATION
ALIGARH MUSLIM UNIVERSITY CENTRE
JANGIPUR, MURSHIDABAD
NAAC ‘A’ GRADE ACCREDITED

PLACEMENT BROCHURE 2019-20

HE TAUGHT MAN WHAT HE KNEW NOT!
The purpose of education has always been to enable a man to develop his intellectual powers to the full so that he may grasp the significance of any situation that arises, that he may know the differences between the right and wrong and gain ability to contemplate the divine mysteries of nature. Education should strengthen the character on the life to come.

It seems to me that education has a two-fold function to perform in the life of man and in society: the one is utility and the other is culture. Education must enable a man to become more efficient, to achieve with increasing facility the legitimate goals of his life.

The school alone cannot teach citizenship, however, any more than it can really educate a child. It can do much in directing thought and formulating standards, in creating habits of responsibility and courage and devotion. In the last analysis our home surroundings are the determining factor in development, and the example of those dear to us and constantly with us is what makes the warp and woof of our lives remember that on the public school largely depends the success or the failure of our great experiment in government "by the people, for the people."

It is the first and foremost duty of all the well-wishers of the country to strive for the welfare of all people irrespective of any consideration of caste or religion. A man should be upright, righteous and honest even while opposing his opponent.

Aligarh Muslim University scaled new heights when NAAC accredited it with ‘A’ grade. Aligarh Muslim University with its past glorious history is spreading education in different parts of India. AMU Murshidabad Centre is one of the vibrant Campuses of AMU, engaged in teaching and research in West Bengal. At present, the Centre is running MBA, integrated BALLB and B. Ed. courses. Business Administration is one of the thrust areas of the Centre. I am happy to note that the MBA department is going to publish their next Placement Brochure for batch 2018-20.

AMU Murshidabad Centre is enjoying the privilege of selecting some brilliant students for its MBA program. The selection process comprises of different steps, which include an entrance test followed by group discussion and personal interview. The selected students are highly talented with diverse backgrounds. The Centre inculcates best professional attitude with communication skills to these highly motivated and hardworking students. I am sure that our students will be an asset to any organization because of their pleasant personality, determination, professionalism. Therefore, I feel privileged to invite your organization to recruit our students and I am confident that they will fulfill your expectations.

Looking forward to have a mutually rewarding long-term relationship.
The establishment of Mohammedan Anglo Oriental (MAO) College in 1875 marks one of the most important events in the educational and social history of modern India. "An epoch in the social progress of India." - said Lord Lytton as he laid the foundation stone of the MAO College on January 8, 1877. Nearly eight years later, when the noted orientalist Sir Hamilton Gibb characterized this college as the first modernist institution in Islam. The MAO College was originally affiliated with Calcutta University and was transferred to the Allahabad University in 1885. In 1920, the Act of Indian Legislative Council elevated the MAO College to the status of a central university and it became the principal Muslim institution in India. Section 2(1) of the AMU Act terms the university as the educational institution of their choice established by the Muslims of India.

NAAC RANKING
The Aligarh Muslim University has secured Grade A by the National Assessment and Accreditation Council (NAAC), which recently conducted an assessment exercise at the University campus. The NAAC team, in its assessment result published on March 3, 2015 of 130 First Cycle institutions after the 5 Meeting of its Standing Committee, has given 3.35 Cumulative Grade Point Average (CGPA) to AMU. A high profile NAAC Peer team visited the Aligarh Muslim University on February 9, 2015 and carried a comprehensive assessment of the AMU on various yardsticks. During this four day stay in University campus, the NAAC team visited different Departments of Studies, Colleges, Centers, Halls of residence, playgrounds and interacted with several quarters of AMU community including students, teachers, non-teaching staff, alumni, parents of students and members of Executive Council and Academic Council.
MAULANA AZAD LIBRARY
The prestigious Maulana Azad Library consists of more than 1.1 million books on a diverse range of subjects. It also houses reports, conference souvenirs, periodicals and digital content on CDs and DVDs. More than 5000 students, teachers and other members of the university visit the library daily and utilize its resources. Besides this, each department has its own Seminar Library to cater the specific needs of its respective disciplines of interest.

GAMES
The Sports activities of AMU have brought acclaim from all corners of the country and beyond. Ghaus Mohammad in Tennis, Mushtaq Ali, Lala Amarnath, Wazir Ali and Nazir Ali in Cricket, Hamid and Mazhar, the Olympians at Athletics and Shakoor in Hockey are the names that will always bring pride to the institution. AMU has a century-old Horse Riding Club where the members have won various prizes in the national level competitions.

CULTURAL AND EXTRA CURRICULAR ACTIVITIES
The Cultural Education Centre (CEC) is the nucleus for most of the extra-curricular activities and caters to the cultural environment. It is the base of several interest-focused clubs like Drama Club, Film Club, Debate Club, Eco Club, etc. which motivate students in social, cultural and environmental issues. A large number of National and International events and programs are regularly organized by the Centre.
**ACHIEVEMENT**
The Aligarh Muslim University has been ranked 1st among the top ten institutions of higher learning in India in a latest survey conducted by the Times Higher Education (THE) Magazine, UK. AMU has been ranked 182nd among the Universities of Asia (Times Higher Education, Asia Ranking 2019). Aligarh Muslim University is the only institution in Uttar Pradesh to be included in this ranking.

**THE PRESENT SCENARIO**
At present, the university now boasts almost 30,000 students, 1,400 teachers and 6,000 non-teaching staff on its roll. It has 13 faculties comprising a wide spectrum of academic disciplines, 103 departments and 13 centres. It offers about 325 courses. Besides this, the university has expanded by setting up 3 regional centres at Mallapuram (Kerala), Murshidabad (West Bengal), and Kishanganj (Bihar). Special efforts have been made to improve the research facilities in order to encourage students to enroll themselves in various Ph.D. programs. Currently, more than 1,500 research students are pursuing the cutting-edge of their disciplines. As a result, AMU has been ranked amongst the top 10 universities in scientific research publications.
AMU has been at the forefront of the development of management education in India. Efforts were initiated in 1965 and a one-year Diploma in Business Administration was started under the aegis of the Department of Commerce. In 1969, it was replaced by a three-year part-time Diploma Program in Business Management (DBM), which was converted in a part-time, three-year program leading to the Master of Business Administration (MBA) in 1972. In the same year, a separate Department of Business Administration was created. The three-year part-time MBA program was further upgraded into a two-year full-time MBA in 1976. The department is offering MBA in four specializations - Marketing, Finance, Human Resource and Operation along with MBA in International Business. The department recently launched two MBA programs such as MBA in Hospital Administration and MBA in Islamic Banking and Finance. Regular Ph.D. program in Business Administration were also started along with the creation of the Department. Apart from all these degree and diploma courses, PhD in Business Administration is also offered in collaboration with All India Management Association (AIMA) for executives, managers, central & state government and military personnel etc. This program has received an overwhelming response.
A new chapter of educational enlightenment was added to the culturally enriched soil of Bengal with the establishment of Aligarh Muslim University Murshidabad Centre in 2010. The Centre, accredited by NAAC in ‘A’ grade, is empowered by Section 5(2) (C) of the AMU (Amendment) Act, 1981 and under Section 12(2) of the University Act. [Act XL 1920 and AMU (Amendment) Act, 1972].

The Centre is located in the Murshidabad district of West Bengal which once served as the capital city of the Nawabs of Bengal. Murshidabad being a historical place is replete with numerous historical and tourist spots. Spread over an area of 288 acres of land, the Centre is divided into two plots by an irrigation canal. It is located nearly 40km from Farakka and 60km from Behrampore towns of Murshidabad. It is well connected with road and railway networks. It lies 250km North of Kolkata on NH34 and the nearest railway junction is Jangipur Road (approx. 8km). By air, it can be reached through Netaji Subhash Chandra Bose International Airport, Kolkata.

The Centre is carrying forward the great legacy and cultural ethos of Aligarh Muslim University. It stands for bringing an educational revolution in the country for socially, economically and educationally backward communities, who have so far lost the opportunity to develop. It is committed to secular ideas and is providing quality education to all sections of the society at affordable cost.
