11. The institute will furnish to the SERB, New Delhi, separate Utilization Certificate (UC) financial year wise to the SERB for Recurring (Grants-in-aid General) & Non-Recurring (Grants for creation of capital assets) and an audited statement of accounts pertaining to the grant immediately after the end of each financial year.

12. The institute will maintain separate audited accounts for the project. A part or whole of the grant must be kept in an interest earning bank account which is to be reported to SERB. The interest thus earned will be treated as credit to the institute to be adjusted towards further installment of the grant.

13. The project File no. ECR/2017/000908 may also be mentioned in all research communications arising from the above project with due acknowledgement of SERB.

14. The manpower sanctioned in the project, if any is co-terminus with the duration of the project and SERB will have no liability to meet the fellowship and salary of supporting staff if any, beyond the duration of the project.

15. As this is the first grant being released for the project, no previous UC is required.

16. The institute may refund any unspent balance to SERB by means of a Demand Draft favoring "FUND FOR SCIENCE AND ENGINEERING RESEARCH" payable at New Delhi.

17. The organization/institute/university should ensure that the technical support/financial assistance provided to them by the Science & Engineering Research Board, a statutory body of the Department of Science & Technology (DST), Government of India should invariably be highlighted/acknowledged in their media releases as well as in bold letters in the opening paragraphs of their Annual Report.

18. In addition, the investigator/host institute must also acknowledge the support provided to them in all publications, patents and any other output emanating out of the project/program funded by the Science & Engineering Research Board, a statutory body of Department of Science & Technology (DST), Government of India.

Dear Mr. Ansari:

Congratulations! You have been selected by the ASCE Environmental and Water Resources Institute to receive the 2020 J. C. Stevens Award for the paper, “Discussion of ‘Using an Improved Jet-Erosion Test to Study the Influence of Soil Parameters on the Erosion of a Silty Soil’ by Van-Nghia Nguyen, Jean-Robert Courivaud, Patrick Pinettes, Hanane Souli, and Jean-Marie Fleureau,” published in the November 2018 issue of Journal of Hydraulic Engineering.

I hope you can personally accept this award, which consists of a certificate and cash prize, during the Society’s World Environmental & Water Resources Congress in Henderson, NV, May 17-21, 2020. Gabrielle Dunkley, Institute staff member, will be in contact with you soon to provide further details about your award presentation.

Please direct your attention to the important enclosures that will guide you in assembling requested documents for publicity purposes.

Again, please accept my personal congratulations on this significant milestone in your career.

Sincerely,

Thomas W. Smith III, ENV SP, CAE, F.ASCE
