11-FEB-2015: The Disaster Management Awareness camp was inaugurated at the Aligarh Industrial and Agricultural Exhibition Ground by Professor Mohibullah, Dean, Faculty of Engineering & Technology on February 7. The event was organized by Aligarh Muslim University’s Department of Civil Engineering. Prof Mohibullah Khan appreciated the efforts of the department.

The awareness brochure published in English, Urdu and Hindi were also released. Brigadier (retd) Syed Ahmad Ali, Pro Vice Chancellor in his remarks on the Visitor’s diary lauded the good work done by the Centre and appreciated the efforts of the students in generating awareness amongst the masses towards disaster mitigation and preparedness.

On the occasion, Prof Sher Afghan Khan, Principal, Zakir Husain College of Engineering & Technology; Prof Mohammed Arif, Chairman, Department of Civil Engineering; Faculty members; Staff and students of the department were present.

Prof Sarfaraz Ansari, Convener, Centre for Disaster Management Studies while welcoming the audience highlighted the activities of the Centre.

Prof Mohammed Arif, Chairman of the Department discussed the importance of the awareness camp and the role of the Centre. He also appreciated the work done by AMU ASCE student team coordinated by Mohd Asim, Shahbaz Ahmad and its founder member Mr Ibadurrahman.

Prof Amjad Masood and Prof Tazyeen Ahmad proposed vote of thanks

The program was conducted by Dr M Masroor Alam, Associate Professor, Department of Civil Engineering.

Awareness camp organized on disaster management

ALIGARH February 7: The Department of Civil Engineering, Zakir Husain College of Engineering and Technology, Aligarh Muslim University organized a Disaster Management Awareness Camp at the District Agricultural and Industrial Exhibition to spread awareness among common people regarding the safety and prevention issues concerning floods, earthquake and other natural calamities.

Addressing on the occasion, Professor Mohd Idrees, Dean, Faculty of Engineering, who inaugurated the camp, elaborated the various aspects of natural calamities and also highlighted the ways and means for safety from such disasters.

Professor Javed Siddiqui, Coordinator, TEQIP, Phase III, Professor Mohammad Muzammil, Chairman of the Department, Professor Mohammad Arif and Professor Amjad Masood also addressed on the occasion.

Models, posters and video films made by students featured in the exhibition, while a number of students, police personnel and common people attended the camp.

Professor M Masroor Alam conducted the programme.
