Subject: Invitation to the International Conference on Sustainability Education (ICSE) 2019, in New Delhi on September 09 & 10, 2019.

Dear Dr Rizwan,

We are pleased to invite you to attend the **International Conference on Sustainability Education (ICSE) 2019** as our Honoured Guest. The Conference is being organized on September 09-10, 2019 at the India Habitat Centre in New Delhi, India by Mobius Foundation, The Climate Reality Project & UNESCO, New Delhi. Other partners include the Centre for Environment Education (CEE), Foundation for Environmental Education (FEE), Sustainable Development Solutions Network (SDSN), The Energy and Resource Institute (TERI), Grantham Institute of Imperial College, TERRE Policy Centre, Young Reporters for the Environment (YRE) etc.

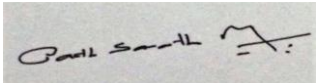

The Conference is a major International sustainability education event expected to be attended by around 400 delegates from across the globe including experts, educators, teachers, policy makers and decision makers to deliberate upon the innovative ideas, practices and policies and come forward with action agenda to bring forth the new change in the current education structure and incorporate environmental sustainability as a core concept from the early stage of education. It will have plenaries, parallel technical sessions, workshops and side events besides exhibition and poster presentations. For more details about the conference kindly visit www.icse2019.org

During this conference it is proposed to organise a dedicated session on "**Earth Observing systems for Sustainable Development**". The conference is more focused on school education. It is my pleasure to invite you as a speaker. The session will be of **90-minute duration**. There will be four speakers in the session. It is requested to kindly provide **title of talk** and a **short speakers profile** by 16th August to include in the programme.

It is an honour and privilege to invite you to participate in this Conference as our esteemed guest. We do hope that your valuable contribution, support and guidance to the conference will be greatly appreciated. Kindly also send us your thoughts about sustainability education for publication in conference Souvenir.

Looking forward to hear from you soon

Kind regards

Dr Ram Boojh
Director Programmes, Mobius Foundation
Convener, ICSE 2019

Dr Parth Sarathi Roy
Session Moderator
ICRISAT, Hyderabad
