The Aligarh Muslim University, under the leadership of its new Vice Chancellor Prof. Tariq Mansoor, has initiated steps to augment and improve existing infrastructure, create new academic infrastructure with a focus on skill enhancement and job oriented relevant disciplines and to establish certain key students facilities. The University requires substantial amount of funds to realize the planned initiatives of infrastructure, academics and student facilities. The University relies on funding from government sources which now are placing emphasis on internal resource generation by the University to support and sustain the growth of the University.
The Alumni and Well-wishers of AMU – symbol of Syed’s sacrifice, selfless service, diligence and dream, are all over the world. They have played a pivotal role in not only providing constructive suggestions and guidance on betterment of academic functioning of the University but also contributed generously for creation and strengthening of Academic Infrastructure of AMU. The planned initiatives/ projects cannot be realized without the generous support of the Alumni and well-wishers. Their good wishes, support and generous contributions are required more today than before. Contributions (cash and kind) from alumni and well-wishers are welcomed for the New Projects. Your valuable contributions will go a long way in turning “AMU” into a world class institution.

HALL OF RESIDENCE FOR RESEARCH SCHOLARS

• The Aligarh Muslim University offers Ph.D programs in all major discipline of Science, Engineering, medicine, life Sciences and humanities.

• Currently 2720 (1659 boys and 1061 girls) Ph.D scholars are pursuing research at A.M.U. There is a need for single seated hall equipped with modern amenities for Ph.D scholar.

• Capacity: 1500 seats (1000 for boys and 500 for girls)

• Amenities: Wi-Fi enabled, solar powered, environment friendly and energy efficient unit

• Funds required : Rs. 90.10 Crores
MOHD. HABIB HALL
CREEATION OF INTERNATIONAL HOSTEL

• The Aligarh Muslim University has been a preferred seat of learning for foreign students from African, middle east and South Asian Countries for decades. Currently there are about 500 foreign students studying in A.M.U. in various department of studies. There is a need to establish international Hall of residence for these students.

• Capacity: 500 single seated rooms

• Funds required : Rs.45.93 crores
ESTABLISHMENT OF SPORTS HOSTEL

• The AMU is known for producing quality players in different sports and it has quality infrastructure in terms of Equipment, resources, playgrounds for different sports activities such as Riding, Hockey, Lawn Tennis, swimming, etc. The AMU organizes Inter-Varsity tournament regularly. However it requires dedicated exclusive hostel for its players and for hosting national tournaments in different sports. Recently a swimming pool confirming to the international standard has been established.

• Capacity: Single seated 250 rooms
• Funds required: Rs.20.68 Crores
HOCKEY ASTROTURF
HORSE RIDING
ESTABLISHMENT OF CONVENTION CENTRE

• The Aligarh Muslim University regularly hosts National and International Seminars, Conferences, Congress etc. annually. It hosted near about 140 such events in Academic Session 2016-17 whereby delegates strength ranging from 50 to 700 attended such events. Although the University has some Departmental auditoriums with limited seating capacity, there is an urgent need for modern integrated Convention Centre where small, medium and large Conferences and Seminars may be organized at one place. The Convention Centre may be centrally located so that the existing guesthouses may be integrated in this complex.

• Funds required: Rs.20.00 crores
• (Non-recurring)
CONVERSION OF CLASSROOMS INTO SMART CLASSROOMS

• The University has already created more than 70 Smart Class rooms and about 30 are underway.

• The University wishes to convert another 50 classrooms into Smart Classrooms

• Conversion of one Class Room into Smart Class Room would require Rs.5.00 lacs
ESTABLISHMENT OF INTEGRATED ADMISSION AND EXAMINATION UNIT

• The AMU offers 10,000 new admissions every year in different disciplines. The admissions are offered through all India Competitive test and each year ten of thousands of admission seekers appear in all India test at Aligarh. There is a need to establish Integrated Modern admission & examination unit at AMU to streamline admission & examination process.

• Capacity: 2000 students

• Funds required: Rs.10.00 crores
EXPANSION OF ADMINISTRATIVE BLOCK

• The Central administrative block was established in early eighties and it now is constrained on account of space. There is a genuine requirement for its expansion. The entire administrative block is over crowded and it is desirable that additional construction is carried out to provide space for offices and record rooms. A larger committee room with a capacity of 200 persons is also required.

• Funds required : Rs. 26.50 Crores
• (Non-recurring)
INTRODUCTION OF NEW COURSES IN FACULTY OF LAW

• Faculty of Law was established in 1960 and as per India Today 2017 ranking its ranked 2nd in the country.
