Applications are invited from Indian citizens who are resident of Uttar Pradesh for contractual appointment against the post of Research Assistant (RA/JRF) under the Council of Sciences and Technology, Uttar Pradesh funded research project.

Research project entitled: Measurement of Synchronphasors for Monitoring of Dynamic Phenomena in the Power Grid

Duration of the Project: 2 years Salary: Rs 20,000/- per month (Fixed)

Essential Qualification: BE/B. Tech. In Electrical Engineering

Desirable Qualification: M. Tech in Instrumentation & Control, Experience in the area of Synchronphasors’ application to the power grid.

The applicant must be below the age of 25 years age as on 1st April 2016. A relaxation in the age limit up to three years will be considered in case of candidates who are suitably qualified and have Research/Training/Teaching experience.

The interested candidates may send their application with complete information regarding their educational qualifications indicating percentage of marks of each exam passed, work experience with attested Photocopies of certificates (both academic and professional) along with one photograph. The application form may be submitted in the office of the Electrical Engineering Department during the working hours, or may be posted on the following address:

Dr. Mohd Rihan
Associate Professor, Department of Electrical Engineering
ZH College of Engineering and Technology AMU Aligarh 202 002
UP India

Only shortlisted candidates will be called for personal interview. No TA/DA is admissible for the shortlisted candidates under this scheme. The last date for the receipt of the complete application is 18th August 2017.
