2019 Team Award for Advancing PDT in Rising Nations

is awarded to

Dr. Bilal Hussian
Department of Radiotherapy

This Team recognition is given for the outreach efforts of physicians and scientists to implement PDT at the clinic for early non-small cell cancer using a low-cost illumination device and ALA-PDT in India at the Jawaharlal Nehru Medical College (JNMC), Aligarh Muslim University. The award also recognizes the power of international cooperation and perseverance.

Congratulations to the institutions and the team leaders who made this success possible.

Joint Organizing Secretary
Dr. Mohd Akram
Dr. Ashish Goel: is an alumnus of JNMC 1986 Batch. He completed MS in Surgery in 1995. He is the first candidate to do DNB in Surgical Oncology in India. With over twenty years of experience in Oncology, currently he is Associate Director and Head of Department of Surgical Oncology at Jaypee Hospital Noida.

Dr. Malay Nandy: is among the senior most medical oncologists of Northern India. After initial medical training in VSS Medical College, Sambalpur, Orissa, he joined the Institute Rotary Cancer Hospital at AIIMS, Delhi for training in the field of medical oncology. He is in practice for nearly one and a half decade. Currently he is associated with the major cancer hospitals of Delhi & NCR Region.

Prof. S.A. Siddiqui: completed his M.D. in Radiation Oncology in 1985 from SMS, Jaipur. Since then he has had 29 years of experience in the field of radiation oncology in various positions. He has supervised more than 60 candidates in their thesis & has many publications, both in national & international journals, to his credit. Presently he is working as Chairman, Department of Radiotherapy and Clinical Oncology, JNMCH, AMU.

Prof. Tanveer Khan: M.D., DNB, MNAMS, MICOG, FAIMES FELLOW she has more than 21 years of experience in teaching medical students. With more than 90 national & international journal publications to her credit, presently she is working as Chairperson, Department of Obstetrics & Gynaecology, JNMCH, AMU.

Dr. Nishat Afroz: after completing MBBS from G.S.V.M.C. (Kanpur) she passed her M.D. Pathology from M.L.N. Medical College, Allahabad. She later joined JNMCH. As an Assistant Professor, she has more than 80 national and international publications to her credit. Currently she is working as Professor Department of Pathology, JNMCH.

Dr. Shadah Alam: having DNB Radiation Oncology, is working in the field of oncology for around 13 years. During this period he has worked in different hospitals including HCG Bangalore, in various capacities. He has got working experience in both medical & Radiation Oncology (conventional & conformal radiation, including Cyberknife treatment). Currently he is working as Assistant Professor and Consultant Department of Radiotherapy and Clinical Oncology, JNMCH, AMU.

Dr. Mehtab Ahmad: after completing MBBS from JNMC, A.M.U., Aligarh, he joined the Department of Radiodiagnosis, AMU and passed his M.D. from the department in the year 2011. Currently he is working as Assistant Professor therein. He has keen interest in the research and teaching activities of the Department and has many national and international publications to his credit.
CME HIGHLIGHTS

FROM THE DESK OF ORGANIZING SECRETARY

"There are more or less clear cut recommendations for the management of Primary Ovarian cancer but when there is recurrence, its management becomes tedious – when, what and in which sequence, treatment should be given. This CME is an effort to highlight the exact role and status of various treatment modalities in such recurrent cases."
