Coordinator, Interdisciplinary Biotechnology Unit/Center for Professional Courses/B.E. (Evening)
Nodal Officer, Community College,
Head, Nursing School.

Subject: Request to upload the Students’ strength on the AMU Website.

I am happy to share with you that after consistent efforts and your continuous support, the University has been able to reach at the exact number of students. This has been possible only because your offices compiled the data on excel sheet as per the letter of the Vice Chancellor D.No.220/VC/Sectt. dated 5th July, 2016.

However, since this is a continuous exercise, I request you to depute one office staff to update and upload the student data, while the admission process is on for the session 2017-18, so that by the time we complete admissions, we have the exact number of students ready.

Thanking you in anticipation,

(Prof. M. Rizwan Khan)

Copy to:
1. Asstt. Registrar to the Vice Chancellor.
2. Secretary to the Registrar.
