Continuing Medical Education (CME) Programme For Teachers of Kulliyat
Department of Kulliyat, Faculty of Unani Medicine, Aligarh Muslim University, Aligarh, announces six days Continuing Medical Education (CME) programme on Kulliyat for Teachers working in the Department of Kulliyat and its allied subjects in different Unani Colleges, to be held from 12th - 17th February 2018.

The purpose of this CME programme is to update the knowledge of fundamentals of Unani Medicine with respect to Applied Kulliyat amongst the Teachers in subject of Kulliyat-e-Tib and to train the teachers to adopt better methods for improving the teaching skills towards more efficient and competent rendering of academic and research services.

In view of the above, the Organizing Chairman would like to invite the applications from interested teachers of Kulliyat and allied subjects to participate in the CME programme. The duly filled registration form may be sent to the Organizing Chairman by post or through email at eventkulliyat2018@gmail.com. The last date to submit the registration form shall be 30th January 2018. Only 30 selected candidates will be invited to attend the CME programme. The participants will be paid AC-II Rail fare by shortest route or AC-Bus fare subject to production of original tickets. The boarding and lodging will be arranged by the Department as per AYUSH rule.

Areas of Deliberations:

1. Introduction to Kulliyat-e-Tib with respect to Teaching and Research Methodology.
2. Guidelines for collection, documentation, and validation of scattered literature.
4. Scope of practical application in Umoor-e-Tabiya.
5. Importance of basic concepts of Kulliyat and its implication in different disciplines of Tibb-e-Unani.
9. Scientific interpretation and validation of the concept of Akhlat and its role in Diagnosis and Treatment of Diseases.
10. Interpretation of different faculties (Quwa) in modern perspective. Role of Quwa as subordinate of Tabiyat in maintaining physiological functions of the Body.

( PROF. FERASAT ALI )
Chairman
