CALL FOR PARTICIPATION

The global lock down and social distancing due to the wake of COVID-19 pandemic have affected educational institutions around the world. Aligarh Muslim University (A.M.U), Aligarh is striving hard to ensure that all the educational activities including research go forward to the maximum extent.

Keeping in view these aspects, the Faculty of Social Sciences in collaboration with Elsevier is intended to organize one day Online Workshop on ‘Quality Research and Scholarly Publications by using SCOPUS and Mendeley’ for Research Scholars of AMU to develop research skills and improve the quality of research publications. The Online Workshop is scheduled to be held on 19th May, 2020 at 10.00 am onwards.

Expected outcome

After successful completion of the Online Workshop, the research scholars will be able to:

- enhance research quality and productivity with the help of online research tools and resources.
- comprehend the research workflow and publishing process by employing Scopus and Science Direct databases.
- carry out literature survey and organize their research work by using Mendeley.
- efficiently explore related studies and authors in order to develop academic networking among scholars.
