F.No.15-1/2012 (GU)

The Registrar
Aligarh Muslim University
Aligarh - 202 002

Sub: Tenure of fellowship to full time M.Phil / Ph.D Scholars in Central Universities who are not in receipt of any other fellowship (Non-NET Fellowship).

Sir,

This is in continuation to this office letter of even no. dated 29.07.2010 on the subject cited above and to say that it has been observed that there is no similarity with regard to the duration of M.Phil programme being conducted by the different Central Universities. Thus there is no time limit in some Central Universities to award fellowship to M.Phil students. Some are awarding fellowship for one year and some more than one year. To maintain uniformity to award fellowship to full time M.Phil students, it has been decided by the UGC that Non-NET Fellowship to M.Phil students may be provided for the duration of course OR for 18 months whichever is less.

This is further to inform you that UGC vide this office letter of even no. dated 29.07.2010 had already decided that the duration of fellowship for Ph.D would be three years and extended by one year.

Yours Faithfully,
