Department of Law, AMU Murshidabad Centre Organizes the Legal Literacy & Awareness Camp

Department of Law, Aligarh Muslim University, Murshidabad Centre organized the Legal Aid and Literacy Camp in the Village Kanupur of Distt. Murshidabad on April 25, 2017. Dr. Badaruddoza, Director, AMU Murshidabad Centre inaugurated the program in presence of Dr. Md. Arif, Course Coordinator Law, faculty members, students and a large number of local people.

While inaugurating the Camp, Dr. Badaruddoza said that the motive of organizing this Legal Literacy Camp in this village is to spread awareness among the people about different social causes and how to combat them on local body level. He highlighted the contributions of Murshidabad Centre in educating people about their legal rights and the remedies that are provided in the constitution. He urged the young students to choose legal education for having a bright future and to uplift the region from backwardness and poverty.

Dr. Mohd. Arif, in his address, talked about the achievements of the Department of Law in sanitizing local masses on the various social issues and causes through the Legal Literacy Camp in the past years. He shared his views on how the people can be benefited with the Legal Aid Clinic in resolving small disputes. Faculty members from the Department including Mr. Akhlaqul Azam (In-charge, Legal Aid Clinic), Dr. Md. Junaid, Mr. Ahmar Afaq (Program In-charge), and Dr. Md. Rakibul Islam also addressed the gathering. They spoke on the functioning of the Legal Aid Clinic and suggested the people to take advantages of free-of-cost legal advices that are provided in the regular Legal Aid Clinic established in the Centre.

BALLB 4\textsuperscript{th} Year student, Mr. Ali Ibrahim urged the audience to take advantage of the University by participating in various programs being organized by it. Three groups of final year students performed different street plays before the audience. The first group highlighted the issue of Corruption in Media, the second group performed on the issue of Acid Attack, and the third group highlighted the issue of Corruption in Politics. The camp was greatly appreciated by the villagers.
