

Free Online Educational Program on Entrepreneurship

As part of the “Startup India Initiative”, Department of Industrial Policy & Promotion, Ministry of Commerce & Industry, Govt. of India, announced free Online Educational Program on Entrepreneurship to inspire and educate the next generation of Entrepreneurs.

This online program is aimed at teaching new and existing Entrepreneurs on how to start a business and how to scale an existing one.

Salient features of the program include

- **A collaborative initiative between ‘Invest India’ and ‘UpGrad’**
- **Designed for nascent and aspiring Entrepreneurs**
- **4-week immersive online learning experience**
- **Program developed, delivered and recognized by leaders in the Entrepreneurial and academic ecosystem**
- **‘Invest India’ and ‘UpGrad’ Certification provided at the end of the program**
- **Free of Cost**

The program covers vital Entrepreneurial topics such as Idea Validation, Finance & Legal as well as Pitching and Fundraising

The registration for the program has been opened from 9th January 2017 and the course can be accessed from 16th January 2017.
