It was reported and alleged vide D. No. 3356/Proc. dated 08.11.2015 by Mohd. Farooq, Khurram Sherwani & Mohd. Rafiq (all special security guards of AMU, Aligarh) that on 07.11.2015 at about 03:00 pm. aforementioned students alongwith about 50 ruffians assembled & formed an unlawful assembly at the gate of Administrative Block in order to disturb proceedings of meeting of the Executive Council and while acting in prosecution of their common object they made an attempt to forcefully enter in the premises of administrative block & when the proctorial team and his staff intervened, aforementioned students started raising abusive and derogatory slogans against the University administration and started manhandling with the security personnel deputed on the gate. It was further stated that Saddam Husen, Abdullah Imran and Mohd. Aamir alias Minto while acting in furtherance of their common intention fired number of gun shots on the proctorial staff and his team with the intention of causing their death but fortunately they could not sustain injury, at the time when E.C. members were returning after E.C. meeting was adjourned. It is also pertinent to mention that the security staff of the Proctor Office while defending themselves snatched the pistol / Katta from the possession of Saddam Husen while he was making an attempt to load it again which has subsequently been handed over to the Police. It is further stated that aforementioned students also wrongfully confined the Hon'ble Members of the E.C. and staff for about 2 hours by locking the gates of administrative Block & admission section. The aforementioned students also blocked the University road by creating obstruction whereby they caused public nuisance.

It is therefore prima-facie established from the facts mentioned hereinabove that the alleged acts of aforementioned students amount to gross misconduct & indiscipline as provided under Part-II Section-4 (i), (iii), (iv), (vii), (xiv) & (xxiii) of AMU Students' Conduct & Discipline Rules, 1985.

Thereafter, the aforementioned students suspended from the rolls of the University vide Office Memo LD.No. 3357/Proc. dated 08.11.2015 till the final decision of the competent authority. The university Campus and its maintained institutions are also placed out of bound

for them. The Charge Sheets were also served upon them vide LD.No.3367/Proc dated 09.11.2015. The reply of the charge sheets have been received in the Office of the Proctor. The matter is listed for hearing in the Discipline Committee. Notices were also served upon the aforementioned students to appear before the Discipline Committee on its schedule date and time for hearing.

**Saddam Husen, Student of M.A.**

Accordingly aforementioned student (Under suspension) appeared before the Discipline Committee. The Committee explained the charges levelled against these students & after conducting examination of above student, observed that the Saddam Husen who has been member of the Cabinet of AMUSU in past was found involved in all protests, agitations in the campus whatsoever the issue may be. Though on paper, he belongs to district Sambhal but in fact he is local and managed himself a room allotted in V.M. Hall against the rules which he continues to hold till date. Earlier he was pursuing M.A. in Sociology and left midway to join M.A. in Mass Communication. His motive of shifting course without completion is not clear. On the day of incident he was leading & instigating the group of students & outsiders in front of Administrative Block of AMU against the AMU administration in order to disturb the proceedings of the meeting of the Executive Council. He alongwith his companions while acting in furtherance of common intention, fired several gun shots upon security staff deputed on the scene of occurrence which took place on 7.11.2015 from 03:00 pm to 09:00 pm. He alongwith his companions wrongfully confined members of the E.C. & staff for at least two hours by locking the gates of administrative block & admission section. Subsequently on 09.11.2015 when there was a meeting of Academic Council in Administrative Block, again he led mob of ruffians & closed all gates of Administrative Block by putting locks thereby taking A. C. members hostage. He & his companions opened direct fire by illegal weapons at the gate of Administrative Block resulting in one of the bullet piercing through the tin sheet of the gate & used cartages were found from spot. He fired from his Kartta / pistol on 07.11.2015 which was snatched from his person by special security guards namely Khurram Sherwani, Mohd. Farooq etc. The above noted facts have been corroborated by Proctor & his team members of the University, who themselves were present at the scene of the occurrence & same has also been supported by the other witnesses such as M/s. Tausif, Pervez, Asif & many other security personnel working in the Proctor's Office. His complicity in the aforesaid incident has also been confirmed by rest of security guards who appeared before the Discipline Committee & deposed same in the presence of the accused regarding his involvement in the whole episode. Being local, Saddam Husen has good connection with criminals residing outside the University & it is at his behest that they while acting in prosecution of their common object fired gun shots on both the days. Though, he denied all allegation against him but could not prove his innocence before the Discipline Committee. Moreover, he has also shown no regret for his action during the entire proceedings of the D.C.

**Mohd. Amir alias Minto, Student of B.A.**

After examining Mohd Amir alias Minto on the charges levelled against him, the Discipline Committee observed that Mohd. Amir is about 32 years old & is still studying B.A of the University. He has past criminal records, he admitted before the Discipline Committee that he was in Jail for about three months for violence & assaulting & was booked by the police under some sections of IPC. Mohd. Amir is consistently absent from his class & has near Zero percent of class attendance in almost all the subjects as confirmed by the Chairman, Department of History. He alongwith Saddam Husen & Abdullah Imran was instrumental in getting the gates of Administrative Block & Admission Section locked. During the course of proceedings, he admitted that firing which took place on 09.11.2015 evening in front of administrative block was carried out by his group. This admission establishes the fact that he

was member of unlawfull assembly formed on the initiatives of Saddam Husen & was actively involved in prosecution of the common object of the aforesaid unlawfull assembly. He was also found in past leading Dharnas & agitations against the University administration on the issues with which he has no connection at all.

Instead of attending classes, Mohd Amir alias Minto has a tendency to interfere in the administrative working of the University. When Dharna staged by supporters of Late. Alamgeer was lifted, he forcefully closed the Gates of Administrative Block in protest of not being made part of the entourage which the Proctor took to Delhi for discussion with Hon'ble Home Minister. Mohd. Amir has mind set of causing obstruction, creating chaos & vitiating the peaceful atmosphere of the University. His language is often abusive and derogatory as testified by all security guards appeared before the Discipline Committee. He is bad example to sincere students & spends most of his time in instigating gullible young students to resort to violence in the campus. During the course of Discipline Committee, he did not show any remorse or guilt & went to the extent of threatening that he will resort to such means, if required in future also. Mohd. Amir alias Minto could not prove his innocence before Discipline Committee & found to be guilty of different acts of Indiscipline & Misconducts.

**Abdullah Imran, student of M.Com:**

He was also a Cabinet Members of the AMU Students Union during the session 2014-15. When called upon to make the statement on oath, he declined to do so. He has been indulging in unlawful activities alongwith Saddam Husen and Mohd. Amir alias Minto in creating an atmosphere of chaos and gross Indiscipline in the University. As leading party to the unsavory episodes which took place on 07<sup>th</sup> & 09<sup>th</sup>, November, 2015 in front of Administrative Block, he cannot be exonerated of the responsibility of serious indiscipline and indulging in violent activities. However, when asked upon his views as to what happened on these two evenings was justified or not, he expressed remorse. Abdullah Imran can be blamed to the extent that he is one of trio who caused and were instrumental in the firing episodes which took place on both the days i.e. Nov.07 & 09, 2015. He played a vital role as leader of group by indulging in violent protests & other disruptive activities in the University. The same has been confirmed by all eye witnesses who were present during meeting of Discipline Committee (D.C.). However, his past academic records and expression of remorse before the Discipline Committee is a mitigating factor in varying the quantum of punishment.

The replies received from all the three accused was examined by the Committee members. It was noted that all the three replies, though signed by individual accused are identical in language and style. Far from expressing any remorse, the replies smack of revolt, aggression & threat. Their version was found to be self contradictory & ambiguous. These three students were found to be indulging in violence, instigating fellow students & other outsiders to resort to violence which could have resulted in loss of innocent lives. Trio also wrongfully confined E.C. and A.C. members for several hours on both days. The trio and their companions most of whom were ruffians & criminals of Aligarh fired about 60 to 70 gun shots at different places near & in University campus such as Chunggi gate, Shamshad Market, Proctor Office, Administrative Block Gate etc. in order to frighten & terrorize the University Administration in particular & inhabitants of Civil Lines, Aligarh in general. By their action, they have tried to promote carrying & use of illicit firearms which is extremely dangerous for the University in particular and peaceful society in general. Their violent actions made the functioning of E.C. & A.C. stand still consequent upon meetings were adjourned. Their violent actions & misdeeds have put the University in a very dim and negative perspective and is a very serious breach of discipline which is against the ethos of lodging protests in AMU, Aligarh.

The eye witnesses who were present and deposed during the Discipline Committee meeting while considering the cases of Saddam Husen, Mohd. Amir alias Minto & Abdullah Imran were M/s. Tausif, Khurram, Farooque, Pervez & about 10 other Security Guards of the Proctor's Office.

The Vice-Chancellor, therefore, on the basis of the recommendations of the Discipline Committee held on **12.11.2015** (Thursday) at **03:30 pm.** in the **Pro-Vice-Chancellor** Office has passed the following orders:

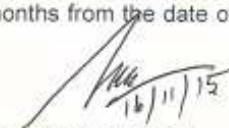

**Saddam Husen and Mohd. Amir alias Minto**

- (a) That Saddam Husen and Mohd. Amir Alias Minto are expelled from the rolls of the University for a period of five academic sessions with immediate effect.
- (b) That above students are debarred from further admission or re-admission to any class / course of the University after expiry of five years period.
- (c) That the University Campus and its outlying Institutions/Office are placed out of bounds for above noted students with immediate effect.

**Abdullah Imran:**

- (a) That Abdullah Imran is expelled from the rolls of the University for a period of three academic sessions with immediate effect.
- (b) That above student is debarred from further admission or re-admission to any class / course of the University after expiry of three years period.
- (c) That the University Campus and its outlying Institutions/Offices are placed out of bound for Abdullah Imran with immediate effect.

The aforementioned students have right to appeal before the Executive Council (referred hereinafter as EC) under Section 36 (B) of Aligarh Muslim University (Amendment) Act, 1981, if they are aggrieved from the aforementioned decisions within three months from the date of the service of this Office Memo.
