NOTICE

The M.B.B.S. and B.D.S. 1st Professional students admitted during the academic session 2016-2017 are advised to remain careful regarding class room attendance requirements pertaining to the course. The extract of the attendance rule is as follows.

"Students have to put in at least 75% attendance in lectures inclusive of attendance in non-lecture teaching in each course separately to be eligible to appear at the examination of that course. The concession of 25% attendance includes absence due to medical related issues and unforeseen emergencies. There shall be no condonation of attendance"
