1. All questions are compulsory.

2. Each question is followed by four alternative answers. Select only one answer which you consider as the most appropriate. Shade the relevant circle against the corresponding question number on the OMR Answer Sheet.

3. Selecting more than one answer for a question, even if one of the selected answers is correct, would result in its being treated as an incorrect answer.

4. Negative Marking: Incorrect answers shall result in a negative score of 25 per cent of the marks allotted to the question. For instance, if the correct answer to a question would get you one mark, the incorrect answer would take away 0.25 marks. However, the provision of Negative Marking will not be applicable in the Admission Tests of MBBS/BDS/MDS/MD/MS/PG Diploma/MCH Courses in the Faculty of Medicine.
