Apprenticeship Programme for M.Lib.I.Sc. Students

The BOS of the Department of Library and Information held on 14.09.2015 recommended the following proposal for introduction of Apprenticeship Programme for M.Lib.I.Sc. Students:

The Proposal

The need of introducing ‘Apprenticeship Programme for the students of M.Lib.I.Sc.’ to augment and strengthen their theoretical knowledge by practical experience of working in the library was being felt since long. The students of other universities where apprenticeship has already been introduced have an edge over students of AMU in the job market. It was, therefore, recommended that Apprenticeship of two months’ duration, just after the second semester examination be introduced as a part of M.Lib.I.Sc. programme.

Under the programme, the students of M.Lib.I.Sc. with a total number of 25 seats will be assigned to work in Maulana Azad Library, Z.H. College of Engineering Library, J.N. Medical College Library, the Library of Law Faculty, Women’s College Library and some other libraries in AMU, in consultation with the University Librarian and the Chairman, Department of Library and Information Science. Each student will be paid Rs. 5000 per month by the University. On completion of two month’s apprenticeship, each student shall submit a report of the work done during the period. The In-charge of the library will also issue a certificate of attendance and performance of each student. It is only after getting a satisfactory report that the students will be issued their mark sheets which will consist of a clause that:

‘The above named student has completed/not completed a two month’s Apprenticeship Programme successfully’.
