Appeal to AMU Alumni and well-wishers to contribute generously for construction of Mosque for the residents of Aligarh Muslim University, Murshidabad Centre West Bengal

The residents of Aligarh Muslim University, Murshidabad Centre are planning to lay the foundation of a grand Mosque inside the campus, shortly. Presently, a classroom is being temporarily used for the purpose of Salaah and other related religious obligations. It is just a makeshift arrangement and with the growing strength of students and staff, the space is insufficient to accommodate all. The permanent location for the mosque in the Campus has been identified by the concerned architect and construction would soon begin in 2015. The planned Mosque would be a grand one that can be accommodated some 5000 people at a time. Please capitalize on this opportunity and participate in this noble cause by contributing wholeheartedly.

The details of the Bank account for the remittance of the Funds will be provided shortly. For further information or donation, please contact: Director, Email: director.amucm@gmail.com; Mobile: 08348118118.
