10. Prof. Mahshar Raza, Dean, Faculty of Science & Chairman, Interdisciplinary Department of Remote Sensing and GIS Applications (**In the Chair**)

The Chairman, Prof. Mahshar Raza, while welcoming the members to the first meeting of the newly established Interdisciplinary Department of Remote Sensing and GIS Applications placed the agenda of the meeting before the members of BoS. The members first congratulated Prof. Mahshar Raza to have taken initiative to start the MSc course in Remote Sensing and GIS Applications under the aegis of the newly established department from the current session i.e. 2014-2015. The members then deliberated on the items of agenda of the meeting and following decisions were made.

### **Item No. 1 Course structure and Syllabi of M. Sc. (Remote Sensing and GIS Applications) Semesters I & II.**

The course structure and syllabi of M. Sc. (Remote Sensing and GIS Applications) Semesters I & II was passed and approved by the Board of studies as per Annexure-I.

**Item No. 2 Allocation of teaching of various papers to be taught in M. Sc. (Remote Sensing and GIS Applications) semesters I & II in the Interdisciplinary Department of Remote Sensing and GIS Applications during the academic session 2014-2015**

The allocation of teaching of various papers and lab courses to be taught in M. Sc. (Remote Sensing and GIS Applications) was discussed and approved as per Annexure II. The BoS authorized the Chairman of the Interdisciplinary Department of Remote Sensing and GIS Applications to make necessary changes in allocation of teaching as and when required for the session 2014-2015.

**Item No. 3 Appointment of examiners for M. Sc. (Remote Sensing and GIS Applications) semesters I & II for the academic session 2014-2015**

Appointment of examiners for M. Sc. (Remote Sensing and GIS Applications) semesters I & II for the academic session 2014-2015 was approved and passed by the BoS. The Chairman of the Interdisciplinary Department of Remote Sensing and GIS Applications was authorized to make necessary changes, if required. List will be forwarded to the Controller of examinations for necessary action.

**Item No. 4 Appointment of moderators for M. Sc. (Remote Sensing and GIS Applications) semesters I & II for the academic session 2014-2015**

The BoS approved the moderators for M. Sc. (Remote Sensing and GIS Applications) semesters I & II for the academic session 2014-2015. The Chairman of the Interdisciplinary Department of Remote Sensing and GIS Applications was authorized to make necessary changes, if required. The list of moderators will be sent to the Controller of examinations for necessary action.

The meeting then came to an end with the Chairman thanking the members for sparing their valuable time.
