SUBMISSION OF Ph.D/M.Phil THESIS

1. Further to Controller of Examinations letter D. No. 471/COE/Sectt/14
dated 11.11.2014.

2. Reports are still coming in that certain Departments are continuing to force
upon Ph.D students to organize lunch/dinner after viva-voce of research
scholars. This is an unethical practice which does not bring a good name for our
University. This is also being resented by a number of students who have sent e
mails to the Vice-Chancellor for having been coerced to host lavish parties at
exorbitant cost. With immediate effect, the following will be promulgated:

(a) There shall be no lunch or dinner hosted either voluntarily or as part of so
called tradition by any research scholar undergoing Ph.D/M.Phil
programme in the University.
(b) No party will be organized in any Guest House or Department premises or
restaurant/hotel outside AMU Campus on account of the aforesaid reason.
(c) It will be the responsibility of the Chairman of the Department concerned
to ensure that only the external examiner is taken care of in respect of
his/her meals and accommodation at the University Guest House.
