Some students of **B.A. IIInd year** of your college met me in my office on 05.03.2015. They wanted to know the papers in which they have to appear in the coming examination, 2014-2015.

Very kindly inform all the students of **B.A. IIInd year** with Economics as Main/Subsidiary Subjects (Ex/Regular/Re-admitted) that they will be appearing in the same papers (EC-203 and EC-204) in which regular students of **B.A. IIInd year** appeared last year. The syllabi of these papers may be downloaded from our webpage [www.amu.ac.in/Department/Economics](http://www.amu.ac.in/Department/Economics). We have not changed the syllabus and course structure. The students having any doubt regarding the above may kindly be advised to meet the undersigned.

(Prof. Nisar A. Khan)
