Subject: Enrolment Numbers issued by Council of Architecture’s (CoA) – reg.

Dear Sir,

I have to refer to your list dated 22.09.2014, submitting therein a revised list of 23 students admitted in the 1st year of 5 year full-time B.Arch. degree course at your institution as against the total intake of 20 sanctioned to your institution by CoA for the academic session 2008-2009. It may be noted that Council had previously issued Enrolment Numbers to 20 students of 2008-2009 batch.

As decided by the Executive Committee of the CoA at its 132nd meeting held on June 26 & 27, 2014, which regularized excess admissions made by your institution from the academic session 2008-2009 to 2013-2014 provided the students passed an aptitude test in Architecture, the CoA has allotted Enrolment Numbers to remaining 3 students as mentioned in your list under reference who have passed the aptitude test conducted by your university recently. The list with Enrolment Numbers of these students is enclosed herewith for your kind perusal and necessary action. The students, after completion of their course, shall be required to quote their respective Enrolment Numbers on the application form at the time of seeking registration in order to enable the CoA to register them as “Architects” under the Architects Act, 1972.

It may be further noted that in case of any discrepancy in the data provided by your institution, the CoA reserves the right to cancel the Enrolment Number and/or reject registration of student(s) at any stage. The issuance of Enrolment Number does not in any way guarantee the registration of a student with CoA, which shall be subject to verification & scrutiny of necessary documents at the time of registration.

You are required to host the list of CoA enrolled students on your institution’s website for information of students, their parents and the general public. This list shall also be made available on the CoA’s website.

Yours faithfully,
