2) The new Syllabi of EL-727 (Low Power VLSI Design) was placed before BOS and passed. (Appendix – VIII)

3) Recommended the names of Reviewers of papers of the following applicant for promotion as Professor under CAS in the Department of Electronics Engineering. (Appendix – IX; Confidential, not for circulation).

   i) Dr. Sudhanshu Maheshwari, Associate Professor, ELED

3) Discussed the matter related to the increase of intake in M.Tech. (Electronics Engg.). After thorough discussion it was decided that due to the increase in intake in B.Tech (Electronics) from 30 to 60, the intake in M.Tech (Electronics) should also be increased proportionately i.e. from 16 to 32 from the academic year 2013-14. The break up of either increase in intake in two different streams would be

   (i) Communication & Information System -16
   (ii) (i) Electronics Circuits & System Design. -16

The meeting then came to an end with a vote of thanks.

(Prof. M. Salim Beg)
