Minutes of the Meeting No. 95

An Ordinary meeting of the Board of Studies was held on

Date: 17.11.2012
Time: 12.00 noon
Venue: P. G. Seminar Room, Dept. of Anaesthesiology, J.N. Medical College, AMU Aligarh

The following members attended the meeting.

1. Prof. Mohammad Zahid, Chairman, Dept. of Orthopaedics, JNMC (Assigned Member)
2. Prof. M. Masood Husain Siddiqi
3. Prof. S. Bano
4. Prof. Shahla Haleem
5. Prof. Abdul Quadir
6. Dr. (Mrs.) Shaheen N. Jamil, Associate Professor
7. Dr. Syed Moied Ahmed, Associate Professor
8. Dr. Qazi Ehsan Ali, Associate Professor
9. Dr. Hammad Usmani, Assistant Professor
10. Dr. Abu Nadeem, Assistant Professor
11. Dr. Syed Hussain Amir, Assistant Professor
12. Dr. Obaid Ahmed Siddiqui, Assistant Professor
13. Dr. Md. Nesar Ahmad, Senior Resident
14. Dr. Bikramjit Das, Senior Resident
15. Dr. Mohammad Naseem Jawed, Senior Resident
16. Dr. Nazia Tauheed, Senior Resident
17. Dr. Vishwanath Kumar, Senior Resident
18. Dr. Mohammad Sarfraz, Senior Resident
19. Dr. Zaid Saghir Ahmad, Senior Resident
20. Dr. Anjali Chauhan, Senior Resident
21. Dr. Rishabh Gautam, Senior Resident

Item No. 1: The minutes of the ordinary meeting of Board of Studies No. 94 dated 27.08.2012 were confirmed.

Item No. 2: The junior residents - I of M.D. (Anaesth) batch admitted in June 2012 were allocated Supervisors & Co-supervisors for Thesis.

ANY OTHER ITEM:

A proposal to increase the teaching staff of the Department of Anaesthesiology & Critical Care was discussed exhaustively. It was unanimously decided by the members to reconsider the request (which was already passed by Board of Studies, dated: 13.02.2010 Academic council dated 01.02.2011 and recommended by Executive Council held on 29.09.2012 vide D.No. (C) /4300, dated: 09.11.2012) on the ground that the departments of Neurosurgery, Pediatric Surgery & Cardiothoracic Surgery have been created recently. The department of Neurosurgery is requesting to provide Anaesthesia facilities all the six days a week. Orthopaedic department wants Anaesthesia services six days a week instead of five days a week and Trauma Centre will be functional very soon. The much cherished goal of any teaching medical institution is to achieve excellence in clinical productivity, implementation of educational programme, undertakes research work. It is not possible to achieve these objectives with the existing staff strength. Therefore it was decided that additional posts of Associate Professor (03) Assistant Professor (11) & Senior Residents (11) may be sanctioned to the Department of Anaesthesiology to meet the present shortage & help to provide Anaesthesia services to Newly Created Departments & Intensive Care Unit.

The meeting ended with a vote of thanks from the Chair.

(Prof. Shahla Haleem) 14.12.12

The Allocation of Co-supervisors will be decided at the time of allotment of thesis topics.
Item No. 3: Revised Syllabus for M.D. (Anaesthesiology) and P.G. Diploma in Anaesthesiology was already approved; however, few minor changes were done to further elaborate the syllabus by inclusion of Goals & Objectives of syllabus and practical aspect of syllabus for web information.

Item No. 4: Name of the Examiners & Moderators for M.D. (Anaesthesiology) examination for 2013 (January + July) were approved and sent to Controller of examination AMU through Dean Faculty of Medicine, AMU, under sealed cover (Appendix-I).

Item No. 5: Name of the Examiners & Moderators for P.G. Diploma in Anaesthesiology examination for 2013 (January + July) were approved and sent to Controller of examination AMU through Dean Faculty of Medicine AMU, under sealed cover (Appendix-II).

Item No. 6: Allocation of teaching to undergraduate MBBS and BDS students for the session 2012-2013 was considered and approved (Appendix-III).

Item No. 7: Annual report of the department of Anaesthesiology for the year 2011-12 was approved by the members of Board of Studies. It has been sent to Deputy Registrar General Section, AMU through Dean, Faculty of Medicine, AMU, vide D.No. 462/Anaesth./Annual Report, dated: 26.03.2012.

Item No. 8: The proposal of “Post-Graduate Diploma in Intensive Care” under the innovative programme of U.G.C. vides D.No.327-Anaesth. dated: 19.07.12 in reference to letter No. F-2-14-EP/DS/216. dated 10.07.12; was presented by Dr Syed Moied Ahmed, Associate Professor, who was approved as programme co-ordinator unanimously. The salient features of the project were highlighted and discussed in detail. Professor A. Quadir suggested that the name of the project “Post-Graduate Diploma in Intensive Care” may be changed to “Post-PG Diploma in Intensive Care”. It was well taken and accepted by the members. Faculty members of the department of Medicine, Paediatric and Pulmonary Medicine will also be allowed to pursue this course provided they join the department full time after taking requisite leave from their parent department without any financial obligation on the part of department of Anaesthesiology. Prof. M. Ashraf Malik (special invitee) highly appreciated and recommended the course. However, after dealing each aspect thoroughly the members unanimously approved the course and passed it.

Any other item:

Dr. Syed Moied Ahmed, Associate Professor, mentioned that he would like to organize a workshop on “Mechanical Ventilation and ABG Analysis”. The program will be predominantly focused on the basic and advanced mechanical ventilation targeting the resident doctors and faculties of other allied specialities.

Dr Hammad Usman, Assistant Professor, would like to organize a Symposium Cum Live workshop on Chronic Back Pain on 22nd Dec’2012. Theme of which would be “evidenced based management of chronic back pain”. The resource persons for the said programme are as follows: 1. Dr. Ram Pasupuleti, Centre for pain management, KY, USA. 2. Prof. Ashok Saxena, University College of Medical Sciences and GTB Hospital, New Delhi. 3. Prof. G.P. Dureja, Director Delhi Pain Management Centre, New Delhi.

The meeting ended with a vote of thanks from the Chair.

Minutes of the Meeting No. 93

An Ordinary meeting of the Board of Studies of Department of Anaesthesiology was held.

Date : 13.02.2012
Time : 12.30 PM

The following members attended the meeting.

1. Prof. M. Masood Husain Siddiqi
2. Prof. S. Bano (Inchair)
3. Prof. Baljeet Singh, Head of Dept. of Anaesthesia & Critical Care, G.B Punt Hospital, New Delhi (Coopted member)
5. Prof. Shahla Haleem,
6. Dr. (Mrs) Shaheen N. Jamil, Assoc. Prof.
7. Dr. Qazi Ehsan Ali, Assoc. Prof.
8. Dr. Hammad Usmani, Assist. Prof
9. Dr. Abu Nadeem, Assist. Prof
10. Dr. Syed Hussain Amir, Assist. Prof
11. Dr. Farah Nasreen, Assist. Prof.
12. Dr. Mohd. Nesar Ahmad, Senior Resident
13. Dr. Mozammil Shafi, Senior Resident
14. Dr. Mohd. Sabihul Islam, Senior Resident
15. Dr. Bhawani Shankar Vijay, Senior Resident
16. Dr. Rehman Hyder, Senior Resident
17. Dr. Dr. Bikramjit Das, Senior Resident

Item No- I: The minutes of the meeting of Board of Studies.

No. 90 : (ordinary meeting) dated 03.10.2011,
No. 91 : (special meeting) dated 05.11.2011 and
No. 92 : (special meeting) dated 30.01.2012 were confirmed.

Item No- II: Topic of Thesis to the following students of M.D (Anaesth.) batch admitted in 2011 (june-sept) were allocated. The PG residents gave a power point presentation of their Protocol. The topics were discussed in detail and valuable suggestions were incorporated.
1. **Name of Candidate**: Dr. Erum Ozair  
**Date of Admission**: 06.09.2011  
**Name of Supervisor**: Prof. M.M.H. Siddiqi, Dept. of Anaesthesiology, JNMC  
**Name of Co-supervisor**: Dr. Qazi Ehsan Ali, Assoc. Prof., Dept. of Anaesthesiology, JNMC  
**Topic**: A comparative evaluation of Dexmedetomidine and fentanyl to attenuate pressor response during Laryngoscopy and endotracheal intubation.

2. **Name of Candidate**: Dr. Nadeen Raza  
**Date of Admission**: 06.09.2011  
**Name of Supervisor**: Prof. S. Bano, Dept. of Anaesthesiology, JNMC  
**Name of Co-supervisor**: Dr. Syed Moied Ahmed, Assoc. Prof., Dept. of Anaesthesiology, JNMC  
**Topic**: A comparative study between McGrath and Airtraq Laryngoscope as intubating device.

3. **Name of Candidate**: Dr. Md. Nishat Akhtar  
**Date of Admission**: 30.06.2011  
**Name of Supervisor**: Prof. Abdul Quadir, Dept. of Anaesthesiology, JNMC  
**Topic**: Comparison of block characteristics and haemodynamic changes between Ropivacaine and Ropivacaine with Fentanyl in patients undergoing Spinal Anaesthesia for lower limb Orthopaedic Surgery.

4. **Name of Candidate**: Dr. Arijit Samanta  
**Date of Admission**: 02.07.2011  
**Name of Supervisor**: Dr. Shahin N. Jamil, Assoc. Prof., Dept. of Anaesthesiology, JNMC  
**Topic**: An observational study of the Airtraq™ Guided intubation in paediatric patients.

5. **Name of Candidate**: Dr. Dharmendra Kumar  
**Date of Admission**: 30.06.2011  
**Name of Supervisor**: Dr. Syed Moied Ahmed, Assoc. Prof., Dept. of Anaesthesiology, JNMC  
**Topic**: The relationship between the central & peripheral venous pressure after passive leg raise, application of PEEP and tissue pressure - A Prospective observational study.

6. **Name of Candidate**: Dr. Shaista Jamil  
**Date of Admission**: 30.06.2011  
**Name of Supervisor**: Dr. Qazi Ehsan Ali, Assoc. Prof., Dept. of Anaesthesiology, JNMC  
**Topic**: Efficacy of Dexmedetomidine as an adjuvant to Bupivacaine in PNS guided supra-clavicular Brachial plexus block.
Any other Item:

The members of Board of Studies had approved starting of B.Sc. Anaesthesia Technology in the meeting held on 30.01.2012.

Now it is suggested that since both Anaesthesia & OT technician work in operation theater, a more comprehensive degree course may be evolved by combining DOTM, DAA & Diploma in Endoscopy, on the pattern of degree courses run by various other institutes in India and in our Medical College also (Pathology + Microbiology+ Biochemistry) e.g. Medical Lab Technology.

Aim 1. To increase job scope of pass outs in private sector. A candidate who can assist both in operation and Anaesthesia will be definitely preferred.

The name suggested is B.Sc Medical Technology (Operation Theater & Anaesthesia Techniques).

The meeting ended with vote of thanks from chair.
Department of Anaesthesiology  
J.N. Medical College, AMU, Aligarh  

Minutes of the Meeting No.92

A special meeting of the Board of Studies of the department was held on 30.01.2012.

Date : 30.01.2011  
Time : 12.00 noon  

The following members attended the meeting:

1. Prof. Shahjahan Bano (Chair)  
2. Dr. Kirti N. Saxena Prof. & Head, Dept. of Anaesthesiology (Co-opted member)  
Maulana Azad Medical College, New Delhi  
3. Prof. Shahla Haleem  
4. Prof. Abdul Quadir  
5. Dr. (Mrs.) Shaheen N. Jamil, Associate Professor  
6. Dr. Qazi Ehsan Ali, Associate Professor  
7. Dr. Hammad Usmani, Assistant Professor  
8. Dr. Syed Hussain Amir, Assistant Professor  
9. Dr. Abu Nadeem, Assistant Professor  
10. Dr. Obaid Ahmed Siddiqi, Assistant Professor  
11. Dr. Farah Nasreen, Assistant Professor  
12. Dr. Md. Nesar Ahmad, Senior Resident  
13. Dr. Ruchi Saini, Senior Resident  
14. Dr. Bikramjit Das, Senior Resident  
15. Dr. Mozammil Shafi, Senior Resident  
16. Dr. Bhawani Shankar Vijay, Senior Resident  
17. Dr. Rehman Hyder, Senior Resident  

Item No.01: To consider the XII Five Year Plan proposal.

The proposal for XII five Year Plan was discussed and approved under the following heads.

(i) **Plan proposal for Department of Anaesthesiology.**

In this plan the members have decided to emphasize the requirement for teaching & non teaching staff and space for the department of Anaesthesiology.

**Justification:** The department of Anaesthesiology has not been given any teaching or non-teaching post during the last three plans (15 years).

While there has been increase in the no. of surgeons, superspecialities and patient care services in the department like Intensive care unit & pain clinic. DAA (paramedical course) is also running for last 08 years.

The department needs space for Undergraduate demonstration room (MCI recommendation), teachers' chambers (separate for ladies & gents), a simulation lab and a store room. The existing space is inadequate & old. The building requires frequent repair & renovation which has not been done for years.

Contd.....2
- Next on priority is upgradation of existing OTs and PACU (Post operative rooms) in Emergency OTs, Gynae OTs and Surgery OT complex.

Justification: Following is the record of cases operated during last 5 yrs. under GA/RA. The no. of cases done by surgeons under L/A are not included

<table>

The plan is submitted to Chief Medical Superintendent, J.N. Medical College Hospital.

- There is need for up gradation of Pain Clinic and Anaesthesia OPD. The plan is submitted to Chief Medical Superintendent. (Plan attached)

- The dept. plans to establish Simulation lab for teaching & training of Post graduate & Undergraduate students in advanced techniques of Anaesthesia, critical care and Resuscitation. The plan proposal is attached in XII Plan proposal.

(ii) The proposal for Intensive care unit. The intensive care unit (8+4 bed) of the J.N. Medical College, Hospital has been upgraded during XI-Five Year Plan and Rs. 100.00 lakh was sanctioned for equipments. From this fund six beds have been commissioned and working since June 2011. Additional equipments are required to make the remaining beds operational. A list of equipments approved in the Board of Studies meeting held on 30.01.2012 is being recommended through Chief Medical Superintendent, J.N. Medical College, AMU, Aligarh. (Plan Attached for Non-PG Resident)

(iii) The members of the Board of Studies have unanimously decided to recommend starting of B. Sc Anaesthesia Technology. The plan has been submitted to Dean Faculty of Medicine vide D. No. 801/Aneasth./DAA/dated: 31.01.2012. (Copy attached)

Item No. 02: The members of the Board of Studies have recommended increase in intake in PG seats from existing 07 to 12 as follows, based on D.No. 1987/FM, dated: 17.01.2012.
