Dear Colleagues,

With immense pleasure we the Organizing Committee of the UP-UK Chapter 2018, proudly announce that the Department of Microbiology at Jawaharlal Nehru Medical College, AMU, Aligarh, is organizing the Annual Conference of UP-UK Chapter 2018 of IAMM (Indian Association of Medical Microbiologists) on 2nd - 3rd February 2018.

Renowned National Microbiologists will share their learning, opinion, and thoughts on various recent developments in Medical Microbiology. We thus humbly request you to contribute to this opportunity by your esteemed presence and enlighten us.

ABOUT OUR CITY

Aligarh is a city located in the Northern Indian state of Uttar Pradesh that is famous for lock industries and the administrative headquarters of the Aligarh district. It lies 203 kilometers northwest of Kampur and is approximately 140 kilometers southeast of the capital, New Delhi. Notable as the seat of Aligarh Muslim University, Aligarh is one of the largest cities in UP as well as the 55th largest city in India. Weather at Aligarh in February will be pleasant. Aligarh is an important business centre of Uttar Pradesh and is most famous for its lock industry. Aligarh locks are exported across the world. In 1870, Johnson & Co. was the first English lock firm in Aligarh.

ALIGARH MUSLIM UNIVERSITY

Aligarh Muslim University (AMU) occupies a unique position amongst universities and institutions of higher learning in the country. AMU ranked no. 1 among Indian Universities by Times Higher Education UK. It was established in 1929, and evolved out of the Mohammedan Anglo-Oriental College (MAO College) which was set up in 1877 by the great visionary and social reformer, Sir Syed Ahmad Khan. From its very inception, it has kept its doors open to the members of all communities and from all corners of the country and the world. Eminent alumni of this University include - Dr. Zakir Hussain, Mr. Hamid Ansari, Dayan Chand, Lal Bahadur Shastri, and Javed Akhtar.

JAWAHARLAL NEHRU MEDICAL COLLEGE

The Jawaharlal Nehru Medical College was ranked as the 8th best among 400 Medical Colleges of India in a survey by India Today - Nicolson in 2017. The college has a cherished history and earned for itself a place of pride in the field of medical education. It was established in 1962.

Every department has latest equipments in laboratories, research labs, and departmental libraries along with latest audio visual teaching aids. The faculty Library has been selected by the National Medical Library (NML) for its Pilot Project of Interlinking of Government Medical College Libraries with NML. The College is also running various programmes sponsored by UNICEF, WHO, National Polio Surveillance Programme, DOTS Plus etc.

DEPARTMENT OF MICROBIOLOGY

The department was established in 1962 and it comprises of the Bacteriology, Parasitology, Immunology, Mycobacteriology, Enteric, Virology, Viral Research & Diagnostic Laboratory (VRDL) and Mycology Laboratories. The department has successfully completed seven projects sanctioned by ICMR, DST, & UPSC. Seven projects funded by UPSC, DHR, SERB, NACO and ICMR are currently running. A recent welcome development is the establishment of Viral Research and Diagnostic Laboratory (VRDL) and line probe assay (LPA) for detection of Mycobacterium tuberculosis and its associated drug resistance. The Department is the State Reference Centre for HIV as well as Sexually Transmitted Infections (STI). The department is deeply committed to upgrading the existing infrastructural facilities so as to provide quality patient care and to enhance diagnostic and research activities.

TENTATIVE PROGRAMME

3rd Feb. 2018
Oration & Awards
Prof. U.C. Chatterjee Oration Award
Prof. Archana Arya Young Scientist Best Paper Award in the field of antimicrobial resistance (Ori).
Prof. P.C. Sekhar National Scientist Best Paper Award (Ori).
Best Poster Award.
Scientific Programme
Emerging Antibiotic resistance: issues and interventions
Diagnosis of Tuberculosis: Recent advances and diagnostic algorithm
Current diagnostic approaches to invasive Candidiasis
Diagnosis of Influenza Virus Pneumonia: Coming to grips with the muddled virus
Free Oral & Poster Presentations
Oral papers & Posters are invited in the award session categories as well as free categories.
Oral and Poster Papers can be presented under the following categories:
• Bacteriology • Mycobacteriology • Virology • Mycology
• Parasitology • Immunology • Infection Control
Workshop - 2nd Feb. 2018
Workshop on Line Probe Assay & Real time PCR.
Registration for Workshop: First come first serve basis.
