TECHNICAL SPECIFICATIONS OF HIGH THROUGHPUT REAL TIME PCR SYSTEM FOR IN-VITRO DIAGNOSTIC USE

1. The system should be approved for in-vitro diagnostic (CE-IVD) and also serve as an open Real time PCR system for in house diagnostics and research applications.

2. The system should be a high end and compact with latest, fast and high throughput features for Real time PCR applications.

3. The system should have a 0.2 ml capacity 96 well based Heating Block with Peltier elements to ensure uniform temperature measurement across the plate with no edge effect.

4. The system should have >4 °C/sec heating ramp rate and >2 °C/sec cooling ramp rates.

5. The system Thermal block should provide temperature homogeneity of +/−0.8°C and temperature accuracy of +/−0.2°C.

6. The system should use high intensity LED lamp or Xenon lamp (465 to 700nm) as an Excitation source with a cooled CCD camera to detect fluorescence from all kind of dyes that are commercially available.

7. The System should have minimum of five Excitation and Six Emission filters, with minimum true 5 Plex Multiplexing assay compatibility, without any need of passive reference dye.

8. The system should be Flexible for developing chemistries like SYBR Green I and Probe based assays like Hybridization probes, Hydrolysis probes, Simple probe assays etc.

9. The system should provide on line Cycle by Cycle monitoring with continuous communication display of the Fluorescence, Temperature changes and progression of amplification without the scanning movement of detector.

10. The system should allow reaction volumes between 10 – 100µl.

11. The system should be programmable between temperature ranges of 40 - 99°C, and should also come with heating lid to avoid sample evaporation at high temperatures without the need of any overlay of oil / wax.

12. The system Application software should include latest Real Time PCR applications like Melting curve analysis for Tm calling, Melt curve based genotyping and High Resolution melting [HRM], Absolute and Advanced Relative quantification assays and End Point Genotyping analysis.

13. The System software should have the provision to use Fit point method and second derivative maxima method for calculating the concentrations.

14. The System should have IVD approved HBV, HCV, HIV, HCV genotyping and Real Time PCR based US-FDA approved assay for screening of High Risk HPV along with genotyping of HPV 16 & 18 for testing from the same manufacturer.

15. Cost of all the mentioned Test Kits should be quoted in the tender which will be freezed for next 3 years for supply in the department, cost per test breakup should be given for all mentioned test.

16. Any supporting extraction system for mentioned tests if required should be provided at no cost basis by the same manufacturer on placement, till the validity of prices of reagent kits & consumables i.e. 3 years. Order of reagents kits & consumables will be placed as and when required and there will not be any obligation for minimum number of reagent kits order. Extraction System property right will remain forever with the company/manufacturer.

17. After price validity expiry, The same can be renewed on mutual agreement in order to continue Placement of
The system should be provided with compatible HP Pentium Desktop PC data workstation along with colour printer for all type of Real time applications. Compatible online UPS and 30 min battery back-up should be provided.

Terms & Conditions:

1. The quoted rates must be valid for a period for 180 days from the date of closing of the tender. The overall offer for the assignment and bidder(s) quoted price shall remain unchanged during the period of validity. If the bidder quoted the validity shorter than the required period, he same will be treated as unresponsive and it may be rejected. In case the tenderer withdraws, modifies or change his offer during the validity period, bid is liable to be rejected and the earnest money deposit shall be forfeited without assigning any reason thereof. The tenderer should also be ready to extend the validity, if required, without changing any terms, conditions etc. of their original tender.

2. No overwriting or cutting is permitted in the rates. If found, quotation shall be summarily rejected.

3. The Equipment/System should be USFDA/CE European approved product.

4. PRE-BID meeting with the intending bidders shall be held on 16.09.2019 from 1:00PM onwards in the Office of the Medical Superintendent, J.N. Medical College Hospital, AMU, Aligarh. All the prospective bidders are requested to send comments/representations on or before pre-bid meeting. Intending bidder will be allowed to seek clarification on specification, Conditions of Contract/Tender, etc. in writing to J.N. Medical College Hospital, AMU, Aligarh, within 48 hours after the pre-bid meeting.

5. The goods ordered shall be delivered and installed at the JN Medical College Hospital, AMU, Aligarh, within 30 days from the date of issue of supply order.

6. All the aspects of safe delivery, installation and commissioning shall be the exclusive responsibility of the supplier. If the supplier fails to deliver, install and commission the goods on or before the stipulated date, then a penalty at the rate of 0.5% per week of the total order value shall be believed subject to maximum of 10% of the total order value. The successful render will also provide required training for supplied item at the J.N. Medical College Hospital, AMU, Aligarh. The goods should be manufactured after adoption of latest technology.

7. In the case of package supply where the delayed portion of supply materially hampers installation and commissioning of the systems, liquidated damages charge shall be levied as above on the total value of the concerned package of the purchase order. Quantum of liquidated damages assessed and levied by the purchaser shall be final and not challengeable by the supplier.

8. The supplier shall be required to perform the following services:
   a) Installation & Commissioning, Supervision and Demonstration of the goods.
   b) Providing required jigs and tools for assembly, minor civil works required for the completion of the installation.
   c) On Site Training to Doctors/Technicians/Staff is to be provided by Supplier for operation and maintenance of the equipment for a period of 30 working days after successful installation of the machine, as per direction of user department.
   d) Supplying required number of operation & maintenance manual for the goods.
   e) To provide non-locked open software and standard interface interoperability conditions for Networked equipment’s in hospital management information system, wherever applicable.

9. The separate price list of all accessories and consumables, if any, must be attached/enclosed along with the Financial Bid.

10. After sales service should be available on 24(hrs.) X 7 (days) X 365 (days) basis. Complaints should be attended properly, maximum within 24hrs to ensure an uptime of minimum 95%, wherever applicable, failing which the necessary penalty measures shall be enforced.

11. The J.N. Medical College Hospital, AMU, Aligarh shall have the right to inspect and/or test the goods at the factory/works of the supplier or any other place at the option of the hospital, at the time of delivery, and the supplier should be ready to cooperate in this regard.

12. The supplier must provide a 12 months warranty from the date of delivery against all defects in materials and workmanship and must provide service on a free of charge basis for the period of warranty. The warranty must be undeniably in the form of assured service by the supplier's representative or a service agency authorized by the supplier.

13. The supplier must provide a service contract for the maintenance and repair of the product for a period of 5 years from the date of delivery.

14. The supplier must provide a 3 years' free service after the warranty period for any defects in materials and workmanship.
goods to confirm their conformity to the NIT Specifications at no extra cost to the Purchaser. Medical Superintendent, J.N. Medical College Hospital, AMU, Aligarh, shall be the final authority to reject full or any part of the supply which is not conforming to the specification and other terms and conditions. No payment shall be made for rejected Stores. Rejected items must be removed by the Bidders within two weeks of the date of rejection at their own cost and replaced immediately. In case these are not removed, the same will be auctioned at the risk and responsibility of the suppliers without any further notice.

12. The bidder shall provide a list of major Government and Private Institutions where its relevant bid item has been supplied during last two years.

13. The bidder (if not original equipment manufacturer must submit Original Equipment Manufacturer authorization certificate that the renderer is authorized for selling and maintain the equipment quoted for.

14. The bidders are required to submit user certificate for satisfactory performance of the relevant equipment on the letter head of the institution (Government/Private).

15. The bidders are required to submit order copies of the supply of the equipment in Government Institutions in last 24 months for rate reasonability purpose.

16. The supplier shall make arrangements for insuring the goods against loss or damage incidental of manufacture or acquisition, transportation, storage and delivery. If the equipment is not commissioned and handed over to J.N. Medical College Hospital, AMU, Aligarh, within specified period, the insurance will have to be extended by the supplier at their cost till the successful installation, testing, commissioning and handing over of the goods to the J.N. Medical College Hospital, AMU, Aligarh.

17. The bidder supplying equipment/goods or already imported goods shall quote the price only in Indian Rupees. Further, imported goods to be imported and supplied by the bidder are also required to be quoted in Indian Rupees and F.O.R JNMC Hospital.

18. Please mention CGST/SGST or other taxes clearly & separately which will be payable on the goods in India.

19. The price of Annual CMC Financial Bid after warranty period must be mentioned clearly.

20. 100% payment of the total order value shall be released only after the successful installation/Commissioning of the ordered goods/equipment against the submission of the inspection report. No advance payment is possible.

21. The Tenderers must quote for 05 years comprehensive warranty including all Spares, Accessories and Labour) from the date of completion of the satisfactory installation. The warranty charges shall not be quoted separately. Also the bidders are requested to submit their quote (Rates) for subsequent 05 years Comprehensive Maintenance Contract(CMC) (Including All Spares, Accessories and Labour). Warranty must be clearly defined to the points, about what will be covered during 05 years of warranty.

22. During the comprehensive warranty period, the guarantee up time of 95% of 365 days will be ensured. In case the down time exceeds the 5% limit penalty of extension of guaranty period by two days for each additional day of down time will be forced. The vendor must undertake to supply all spares for optimal up keep of the equipment for at least FIVE YEARS after handing over the unit to the Institute. If accessories/other attachment of the system are procured from the third party, then the vendor must produce cost of accessory/other attachment and the CMC from the third party separately along with the main offer and the third party will have to sign the CMC with the Institute if required.

23. The principal or their authorized service providers are required to submit a certificate that they have satisfactory service arrangement and fully trained staff available to support the uptime guarantee.

24. Arbitration: If any difference arises concerning this agreement, its interpretation on payment to the made thereunder, the same shall be settled out by mutual consultation and negotiation. If attempts for conciliation don’t yield any result within a period of 30 days, either of the parties may make a request to the other party for submission of the dispute for decision to the sole arbitrator i.e. Vice Chancellor/Principal.
AMU, Aligarh, or his nominee. The decision of the sole arbitrator shall be binding on parties. The venue of arbitrator will be at Aligarh.

25. Subletting of Work: The firm shall not assign or sublet the work/job or any part of it to any other person or party without having first obtained permission in writing of J.N. Medical College Hospital, AMU, Aligarh, which will be at liberty to refuse if thinks fit. The tender is not transferable. Only one tender shall be submitted by one tenderer.

26. Breach of Terms and Conditions: In case of breach of any terms and conditions as mentioned above, the Competent Authority will have the right to cancel the Purchase order/work order/job without assigning any reason thereof and nothing will be payable by J.N. Medical College Hospital, AMU, Aligarh, in that event the security deposit shall also stands forfeited.

27. In solvency etc: In the event of the firm being adjudged insolvent or having a receiver appointed for it by a court or any other order under the Insolvency Act made against them or in the case of a company the passing any resolution or making of any order for winding up, whether voluntary or otherwise, or in the event of the firm failing to comply with any of the conditions here in specified, the Medical Superintendent, J.N. Medical College Hospital, AMU, Aligarh shall have the power to terminate the contract without any prior notice.

28. Bidder shall submit a copy of the tender document and addenda thereto, if any, with each page of this document should be signed and stamped to confirm the acceptance of the entire terms & conditions as mentioned in the tender enquiry document.

29. The quantity of item given in the tender is tentative, which may be increased or decreased as per the requirement of the hospital.

30. Signed & stamped compliance sheet of the technical specification of the goods with technical printed literature must be enclosed with the bid.

31. Conditional bid will be treated as unresponsive and it may be rejected.

32. Demonstration: The J.N. Medical College Hospital, AMU, Aligarh reserves the right to ask the renderer for arranging demonstration of their equipment for which rates have been quoted to the concerned committee, if required.

33. The hospital reserves the right to accept in part or in full or reject any or more tender(s) without assigning any reasons or cancel the tendering process and reject all tender(s) at any time prior to award of contract, without incurring any liability, whatsoever to the affected bidder or bidder(s).

34. Applicable Law:
- The contract shall be governed by the laws and procedures established by Govt. of India within the framework of applicable legislation and enactment made from time to time concerning such Commercial dealings/processing.

- Any disputes are subject to exclusive jurisdiction of Competent Court and Forum in Aligarh Uttar Pradesh, India only.
