

Call for Expression of Interest (EOI) for participation in Re-engineering project of AMU Website

Website committee of AMU invites Expression of Interest (EOI) from reputed firms and/or adequately experienced consultants to confirm their willingness, interest and availability to undertake either entire project on turnkey basis or specific components (certain work-packages) of SDLC re-engineering project.

The Objective of the project under consideration is to re-structure the existing website for further strengthening of manageability, automation of multi-lingual capabilities in CMS, enhancement of end-user experiences, performance enhancement, compliances management etc.

All interested and eligible firms/consultants are required to express their interest in two parts:

1. Submission of a brief proposal (8-10 pages) on any/all of the aforesaid objectives latest by 4.00 P.M. of 23rd September 2017 on webmaster@amu.ac.in for preliminary screening prior to consideration by Website Committee.
2. All those whose proposals are shortlisted after screening will be invited to deliver a brief presentation covering end-to-end approach for re-engineering project, technology options and project management approach to Website Committee, AMU subsequently.
3. Intimation regarding date, time and venue for technical presentation of the shortlisted proposals will be communicated subsequently. Contact details of the person who would be conducting presentations should be clearly specified in the proposal submitted.
