August 10, 2020

Dear Alumni,

Greetings from the Aligarh Muslim University.

These are unprecedented times all over the world, in view of the Covid-19 pandemic. At the Aligarh Muslim University, we are trying our best to let the Teaching-and –Learning be affected the least, without having to compromise on the health of our students either. Towards this goal, we are planning to run the forthcoming semester/session in an online mode from August 5, 2020. Our teachers are preparing well for the same. However, many of our students are not in a position to receive this online education effectively, due to their financial limitations. We request the alumni to come forward to help the students with the gadgets and facilities they need to receive the online instructions. The estimated cost per student is Rs.50,000/-. If every alumni can contribute this amount for at least one student, it will be a great help towards the cause of education. Any contribution, big or small, towards this noble cause may kindly be made expeditiously to the following accounts of the University:
