Appeal

Dear Aligs,

Assalam-o-Alaikum

1. You are aware that the Alumni have constantly engaged themselves in the activities and developmental projects of the University. Since 2014 this engagement has resulted in the completion of a number of projects on the Campus starting from smart class rooms, renovation work of Jama Masjid, Stretchy Hall, Kennedy Hall, Frank & Debby Islam Management Complex, Construction of Riyadh Hall, a world class Swimming Pool, Musa Dakri Museum and numerous endowments for Scholarships to the needy students.
2. Alumni are now visiting their Alma Mater more frequently and in greater numbers. Four Alumni Meets have been held in succession and all of them have been very successful. Reunion and Alumni Meets on the Campus have become a usual phenomenon. Faculties, Colleges and Polytechnic have organized them quite successfully.
3. It is indeed heartening to see that the Alumni have constantly been making queries about projects that the University is planning to undertake and develop and where the Alumni can extend their support. It may be noted that some of the projects need more funds to be completed and it is in this context, I on behalf of the entire Alig fraternity appeal to all the prospective Donors to donate generously for the completion of renovation work of the Kennedy Auditorium which still requires a sum of Rs 50 lacs.
4. I am confident that our Alumni will continue to contribute for all the phenomenal work being done on the Campus. The Bank details through which the donated amount is to be remitted are as under:-
