Like in past 15 NAPCON's, a galaxy of international and national faculties will share their knowledge and expertise in the field of pulmonary medicine, critical care, sleep medicine, pulmonary infections, environmental diseases, smoking cessation, sports medicine and geriatric medicine etc. Reputed international organizations like ACCP, ATS, ERS and chest organisations from SAARC Countries will participate in the conference and more than 2500 national and international delegates are expected to attend the event. The conference will be preceded by 9 CME cum workshop on first day.

The conference is being organized jointly by S. N. Medical College, Agra & J. N. Medical College, AMU, Aligarh. Agra, the city of Taj Mahal, a poem in white marble built in the 16th century by Emperor Shahjahan as a monument of love. Agra was once the capital of the Mughals and the relics of their glory are scattered all over the city. From the Taj Mahal to the massive Agra Fort, the delicately carved Itmad-ud-Daulah’s tomb to Akbar’s deserted majestic capital Fatehpur Sikri; Agra is India’s best-known destination and a must on any program.

Ranthambore National Park is one of the largest national parks in northern India. It is situated in Sawai Madhopur district of south eastern Rajasthan and was established as the Sawai Madhopur Game Sanctuary in 1955 by the Government of India and was declared one of the Project Tiger reserves in 1973. Ranthambore became a national park in 1980. Ranthambore wildlife sanctuary is known for its tigers and is one of the best places in India to see these majestic predators in the jungle. Tigers can be easily spotted even during the daytime. The best time to visit Ranthambore National Park is in November and May when the nature of the dry deciduous forests makes sightings common.
